**Notice of Assumption and Rejection of Executory
Contracts and Unexpired Leases of Debtors and Related Procedures**

1. Please take notice that, in accordance with Article VIII of the Plan and sections 365 and 1123 of the Bankruptcy Code, as of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, and subject to section 8.5 of the Plan, all Executory Contracts and Unexpired Leases to which any of the Debtors are parties shall be deemed assumed, unless such contract or lease (i) was previously assumed or rejected by the Debtors, pursuant to Final Order of the Bankruptcy Court, (ii) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a motion to reject Filed by the Debtors on or before the Confirmation Date, or (iv) is specifically designated as a contract or lease to be rejected on the Schedule of Rejected Contracts. Subject to (i) satisfaction of the conditions set forth in section 8.1(a) of the Plan, (ii) resolution of any disputes in accordance with section 8.2 of the Plan with respect to the Executory Contracts or Unexpired Leases subject to such disputes, and (iii) the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each Executory Contract and Unexpired Lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the applicable Reorganized Debtor or assignee in accordance with its terms, except as modified by any provision

of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

2. The Plan provides that to the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

3. Section 8.2 of the Plan stipulates that the Debtors shall file, as part of the Plan Supplement, the Schedule of Rejected Contracts and the Schedule of Assumed Contracts. The Plan further provides that prior to the Combined Hearing, the Debtors shall serve a notice on parties to Executory Contracts or Unexpired Leases to be assumed, assumed and assigned, or rejected reflecting the Debtors’ intention to potentially assume, assume and assign, or reject the contract or lease in connection with the Plan and, where applicable, setting forth the proposed Cure Amount (if any). If a counterparty to any Executory Contract or Unexpired Lease that the Debtors or Reorganized Debtors, as applicable, intend to assume or assume and assign is not listed on such a notice, the proposed Cure amount for such Executory Contract or Unexpired Lease shall be deemed to be Zero Dollars (\$0). **Any objection by a counterparty to an Executory Contract or Unexpired Lease to the proposed assumption, assumption and assignment, or related Cure Amount must be Filed, served, and actually received by the Debtors within fourteen (14) days of the service of the assumption notice, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court.** If there is an Assumption Dispute pertaining to assumption of an Executory Contract or Unexpired Lease (other than a dispute pertaining to a Cure Amount), such dispute shall be heard by the Bankruptcy Court prior to such assumption being effective; *provided* that the Debtors or the Reorganized Debtors, as applicable, may, with the consent of the Requisite Consenting Creditors, settle any dispute regarding the Cure Amount or the nature thereof without any further notice to any party or any action, order, or approval of the Bankruptcy Court.

4. Section 8.2 of the Plan further provides that—any counterparty to an Executory Contract or Unexpired Lease that does not timely object to the notice of the proposed assumption of such Executory Contract or Unexpired Lease shall be deemed to have assented to assumption of the applicable Executory Contract or Unexpired Lease notwithstanding any provision thereof that purports to (i) prohibit, restrict, or condition the transfer or assignment of such contract or lease; (ii) terminate or modify, or permit the termination or modification of, a contract or lease as a result of any direct or indirect transfer or assignment of the rights of any Debtor under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Plan; (iii) increase, accelerate, or otherwise alter any obligations or liabilities of any Debtor or any Reorganized Debtor, as applicable, under such Executory Contract or Unexpired Lease; or (iv) create or impose a Lien upon any property or Asset of any Debtor or any Reorganized Debtor, as applicable. Each such provision shall be deemed to not apply to the assumption of such Executory Contract or Unexpired Lease pursuant to the Plan and counterparties to assumed Executory Contracts or Unexpired Leases that fail to object to the proposed assumption in accordance with

the terms set forth in Section 8.2(a) of the Plan, shall forever be barred and enjoined from objecting to the proposed assumption or to the validity of such assumption (including with respect to any Cure Amounts or the provision of adequate assurance of future performance), or taking actions prohibited by the foregoing or the Bankruptcy Code on account of transactions contemplated by the Plan.

5. Section 8.3 of the Plan provides that unless otherwise provided by an order of the Bankruptcy Court, Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be Filed with the Bankruptcy Court by the later of thirty (30) days from (i) the date of entry of an order of the Bankruptcy Court approving such rejection, (ii) the effective date of the rejection of such Executory Contract or Unexpired Lease, and (iii) the Effective Date. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be Disallowed pursuant to the Confirmation Order or such other order of the Bankruptcy Court, as applicable, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, the Reorganized Debtors, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules, if any, or a Proof of Claim to the contrary.**

UNLESS AN OBJECTION IS TIMELY SERVED AND FILED IN ACCORDANCE WITH THIS COMBINED HEARING NOTICE, IT MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT.

6. **Plan Supplement.** The Debtors will file and serve any supplement to the Plan on or before **December 8, 2023**.

Notice of Procedures with Respect to Reinstated Claims

1. Please take notice that, in accordance with Article IV of the Plan and section 1124 of the Bankruptcy Code, as of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, and subject to section 7.11 of the Plan, all Other Secured Claims in Class 4 shall be Reinstated. Subject to (i) satisfaction of the conditions set forth in section 7.11 of the Plan, (ii) resolution of any disputes in accordance with section 7.11 of the Plan with respect to the Cure Amounts subject to such disputes, and (iii) the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall authorize Reinstatement of the Other Secured Claims in Class 4 pursuant to section 1124 of the Bankruptcy Code.

2. Section 7.11 of the Plan stipulates least ten (10) days before the deadline to object to Confirmation of the Plan, the Debtors shall serve a notice on Holders of Other Secured Claims in Class 4 setting forth the proposed Cure Amount (if any) necessary to Reinstate such Claims. Any objection by a Holder of an Other Secured Claim in Class 4 to the proposed Cure Amount must be Filed, served, and actually received by the Debtors within fourteen (14) days of the service of the notice of proposed Cure Amount, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court. Any Holder of an Other Secured Claim in Class 4

that does not timely object to the notice of the proposed Cure Amount shall be deemed to have assented to the Reinstatement of its Claim and the proposed Cure Amount listed therein and shall be forever barred and enjoined from objecting to the Reinstatement of its Claim on the grounds that sections 1124(2)(A), (C), or (D) of the Bankruptcy Code have not been satisfied.

3. Section 7.11 of the Plan further provides that to the extent there is a dispute relating to the Cure Amount, the Debtors may Reinstate the applicable Other Secured Claim prior to the resolution of the Cure Amount dispute; provided that the Debtors or the Reorganized Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure Amount by the Holder of the applicable Other Secured Claim (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such Holder and the applicable Reorganized Debtor). Subject to resolution of any dispute regarding any Cure Amount, all Cure Amounts shall be satisfied on the Effective Date, or otherwise as soon as practicable thereafter, by the Debtors or Reorganized Debtors, as the case may be.

UNLESS AN OBJECTION IS TIMELY SERVED AND FILED IN ACCORDANCE WITH THIS COMBINED HEARING NOTICE, IT MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT.

IMPORTANT NOTICE REGARDING TREATMENT FOR EXISTING COMMON INTERESTS CLASS 12

As described in more detail in the Disclosure Statement, if the Plan is confirmed and the Effective Date occurs, except to the extent that a Holder of an Existing Common Interest agrees to a less favorable treatment of such Interest, each such Holder shall receive, in full and final satisfaction, settlement, release, and discharge of such Interest, on the Effective Date, or as soon as reasonably practicable thereafter, (i) such Holder’s Pro Rata Equity Share of the Residual Equity Pool, (ii) such Holder’s Pro Rata Equity Share of the New Warrants, and (iii) the right to participate in the Rights Offering in accordance with the Rights Offering Procedures; provided, that with respect to any Existing Common Interests that are Unvested Restricted Stock, any New Common Interests distributed to Holders on account of such Unvested Restricted Stock will be subject to the same restrictions/vesting conditions applicable to such Unvested Restricted Stock as of the Effective Date.

PLEASE READ THE DISCLOSURE STATEMENT AND PLAN FOR MORE DETAILS.

The Plan can be confirmed by the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”) and thereby made binding on you if it is accepted by the Holders of (i) at least two-thirds in amount of the Allowed Claims or Interests voted in each Impaired Class, and (ii) if the Impaired Class is a Class of Claims, more than one-half in number of the Allowed Claims voted in each Impaired Class, and if the Plan otherwise satisfies the applicable requirements of section 1129(a) under the Bankruptcy Code. If the requisite acceptances are not obtained, the Bankruptcy Court may nonetheless confirm the Plan if it finds that the Plan (y) provides fair and equitable treatment to, and does not unfairly discriminate against,

the Class or Classes rejecting the Plan, and (z) otherwise satisfies the requirements of section 1129(b) of the Bankruptcy Code. If the Plan is confirmed by the Bankruptcy Court, it will be binding on you whether or not you vote or if you vote to reject the Plan. The Bankruptcy Court shall have sole and exclusive jurisdiction to determine whether a Claim or Cause of Action is colorable and, only to the extent legally permissible and as provided for in Section 11.1, shall have jurisdiction to adjudicate the underlying colorable Claim or Cause of Action.

SECTION 10.6(a) RELEASES BY THE DEBTORS.

Notwithstanding anything contained in the Plan to the contrary, as of the Effective Date, pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable

consideration, the adequacy of which is hereby confirmed, including the obligations of the Debtors under the Plan and the contributions of the Released Parties to facilitate and implement the Plan, except as otherwise provided in the Plan or in the Confirmation Order, on and after the Effective Date, the Released Parties are deemed conclusively, absolutely, unconditionally and irrevocably, released and discharged by the Debtors, the Reorganized Debtors, and the Estates from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that the Debtors, the Reorganized Debtors, the Estates, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Chapter 11 Cases, the Debtors, the governance, management, transactions, ownership, or operation of the Debtors, the purchase, sale or rescission of any security of the Debtors or the Reorganized Debtors (which includes, for the avoidance of doubt, all claims and Causes of Action asserted or assertable in the Securities Class Action), the DIP Facility, the Convertible Notes Agreements, the Miner Equipment Lender Agreements, the Mortgage Agreements, the General Contracts, any and all agreements relating to M&M Liens, the formulation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Plan (including the Plan Supplement), the Disclosure Statement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Plan, the Plan Supplement, the Disclosure Statement, the Plan Settlements, the New Secured Convertible Notes Documents, the New Secured Notes Documents, the Contingent Payment Obligations Documents, the New Miner Equipment Lender Debt Documents, the Exit Facility Documents, the New Warrants Agreement, the Rights Offering, the Backstop Commitment Letter, the Initial DIP Loan Documents, the DIP Facility, the Terminated RSA, the RSA, the Chapter 11 Cases, the pursuit of confirmation and consummation of the Plan, the administration and implementation of the Plan or Confirmation Order, including the issuance or distribution of securities pursuant to the Plan (including, but not limited to, the New Common Interests), or the distribution of property under the Plan, or any other agreement, act or omission, transaction, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth in Section 10.6(a) of the Plan (i) shall only be applicable to the maximum extent permitted by law; (ii) shall not be construed as (a) releasing any Released Party from Claims or Causes of Action arising from an act or omission that is judicially determined by a Final Order to have constituted actual fraud (*provided* that actual fraud shall not exempt from the scope of these Debtor releases any Claims or Causes of Action arising under sections 544 or 548 of the Bankruptcy Code or state laws governing fraudulent or otherwise avoidable transfers or conveyances), willful misconduct, or gross negligence, (b) releasing any Released Party from Claims or Causes of Action held by the Debtors arising from an act or omission that is determined by a Final Order or by a federal government agency to have constituted a violation of any federal securities laws or (c) releasing any post-Effective Date obligations of any party or Entity

⁴ For the avoidance of all doubt, for distribution purposes the August Convertible Notes Secured Claim shall include postpetition interest at the applicable contract rate for the period following January 15, 2024.

⁵ For the avoidance of all doubt, all Holders of M&M Lien Claims that have settled such Claim with the Debtors will not be entitled to vote.

which is set forth on the Miner Equipment Lender Claims Schedule, attached to the Plan as Exhibit K, in the column titled “Allowed Deficiency Claim (as of the Petition Date)”; *provided*, that if a Holder of a Miner Equipment Lender Secured Claim elects Miner Equipment Lender Treatment Election 2 on its Class 3 Ballot, such Holder shall not be entitled to vote any portion of its Miner Equipment Lender Deficiency Claim in Class 8.

- (c) if neither (a) nor (b) applies, but the Claim has been estimated or otherwise Allowed for voting purposes pursuant to a stipulation, settlement, or other agreement in writing reached between the applicable Debtor(s) and the holder of the Claim (whether such stipulation, settlement, or agreement is filed or not), such Claim is temporarily Allowed against such Debtor(s) in the amount set forth in the stipulation, settlement, or other agreement;
- (d) if neither (a), (b), nor (c) applies, then in the liquidated, non-contingent, and undisputed amount set forth on a proof of claim timely filed in accordance with the Bar Date Order as of the Voting Record Date; *provided that*, if the amount set forth on a timely-submitted proof of claim is wholly unliquidated, contingent, and/or disputed (as determined on the face of the Claim or based on reasonable review by the Debtors and/or the Voting Agent), then the Claim shall be temporarily allowed for voting purposes in the amount of \$1.00;
- (e) if neither (a), (b), (c), nor (d) applies, then in the liquidated, non-contingent, and undisputed amount set forth on the Debtors’ Schedules; *provided that*, if the Claim appearing on the Debtors’ Schedules is either contingent, unliquidated, and/or disputed, or in a \$0.00 amount, then the Claim shall be disallowed for voting purposes, except to the extent that such creditor’s deadline to file a Claim arising from any rejection of an Executory Contract or Unexpired Lease to which such creditor is party has not yet occurred; *provided*, that, to the extent such creditor’s deadline to file a Claim has not yet occurred, such creditor will be entitled to vote in the amount of \$1.00 on account of such Claim;
- (f) notwithstanding anything to the contrary contained herein, any creditor who has filed or purchased duplicate Claims within the same Voting Class may be provided with only one Solicitation Package and one Ballot for voting a single Claim in such Class, regardless of whether the Debtors have objected to such duplicate Claims; and
- (g) if a Proof of Claim has been amended by a later Proof of Claim that is filed on or prior to the Bar Date, the later filed amended Proof of Claim shall be entitled to vote in a manner consistent with these tabulation rules, and the earlier filed Proof of Claim shall be disallowed for voting purposes, regardless of whether the Debtors have objected to such amended claim. Except as otherwise ordered by the Court, any amendments to Proofs of Claim after the Bar Date shall not be considered for purposes of these tabulation rules.

Section 510(b) Claims (Class 11). Except as otherwise provided herein, each Section 510(b) Claim will be accorded one (1) vote and valued at \$1.00 for voting purposes only, and not for purposes of allowance or distribution, unless (i) such Claim amount for voting purposes is disputed in the manner set forth below for filing a Rule 3018(a) motion, in which case the Claim amount shall be an amount that the Court deems appropriate for the purpose of voting to accept or

reject the Plan or (ii) such Claim is Disallowed prior to the Voting Deadline, in which case the Votes will not be counted.

For the avoidance of doubt, with respect to any Proofs of Claim filed on behalf of an entire purposed class of claimants (including a class of claimants comprised of any current or former beneficial owners of equity securities of Core Scientific, Inc. purchased during the period from January 3, 2022 through December 20, 2022, inclusive (the “**Other Beneficial Owners**”)), including Proofs of Claim Nos. 556 and 632 (collectively, the “**Purported Class POCs**”):

- (a) only the individual filing the Purported Class POC (the “**POC Filing Party**”) shall be entitled to vote to accept or reject the Plan;
- (b) the POC Filing Party shall be entitled to one (1) vote in the amount of \$1.00 on behalf of the individual claim asserted by the POC Filing Party in its individual capacity in the applicable Purported Class POC; and
- (c) any Other Beneficial Owner that did not file a Proof of Claim shall not be entitled to vote to accept or reject the Plan.

Existing Common Interests (Class 12). The amount of each Existing Common Interest for voting purposes only will be established by reference to (a) the applicable books and records of the Debtors’ transfer agent, which shall be provided by the transfer agent to the Voting Agent no later than two (2) Business Days following the Voting Record Date and (b) the books and records of the applicable Equity Nominee (defined below) as of the Voting Record Date as evidenced by the securities position report from The Depository Trust Company (the “**DTC**”).

General.

If the Debtors have filed an objection to, a request for estimation of, or an adversary proceeding relating to a Claim or Interest on or before **December 1, 2023 at 5:00 p.m. (Prevailing Central Time)**, such Claim or Interest shall be temporarily Disallowed for voting purposes, except as ordered by the Court before the Voting Deadline; *provided, however*, that, if the Debtors’ objection seeks only to reclassify or reduce the Allowed amount of such Claim or Interest, then such Claim or Interest is temporarily Allowed for voting purposes in the reduced amount and/or as reclassified (as applicable), except as may be ordered by the Court before or concurrent with, entry of an order confirming the Plan; *provided, further*, that if the Debtors’ objection seeks only to disallow a Proof of Claim purportedly filed on behalf of a class of claimants, then such Claim is temporarily Allowed for voting purposes only as to the individual that filed such Proof of Claim and not as to the class of claimants on behalf of which such Proof of Claim was filed.

If any Holder seeks to challenge the Allowed amount of its Claim or Interest for voting purposes, such creditor must file with the Court a motion for an order pursuant to Bankruptcy Rule 3018(a) temporarily allowing such Claim or Interest for voting purposes in a different amount (a “**Rule 3018(a) Motion**”). Any Rule 3018(a) Motion must be filed with the Court so as to be actually received not later than **December 8, 2023 at 5:00 p.m. (Prevailing Central Time)**.

Upon the filing of any such Rule 3018(a) Motion, such Holder's Provisional Ballot shall be counted in accordance with the above-designated guidelines, unless temporarily Allowed in a different amount by an order of the Court entered prior to or concurrent with entry of an order confirming the Plan.

For purposes of the numerosity requirement of section 1126(c) of the Bankruptcy Code, separate Claims held by a single Holder in a particular Class shall be aggregated as if such Holder held one Claim in the Debtor in such Class, and the votes related to such Claims shall be treated as a single vote to accept or reject the Plan.

E. Form, Content, and Manner of Notices.

1. Voting Agent.

The Debtors have retained Stretto, Inc. ("**Stretto**" or the "**Voting Agent**") as their claims, noticing, and solicitation agent pursuant to the *Order Authorizing the Employment and Retention of Stretto, Inc. - (f) a postage-prepaid return envelope.

Holders of Claims or Interests in a Non-Voting Class shall only receive the Combined Hearing Notice and the Notice of Non-Voting Status (as defined and described below).

3. **Distribution of the Solicitation Package.**

The Solicitation Package shall provide the Plan and the Disclosure Statement as well as the Disclosure Statement Order (without attachments except the Solicitation and Voting Procedures annexed as **Exhibit 2** thereto) in electronic format (*i.e.*, USB flash drive format). Moreover, the Plan and Disclosure Statement will be available at no charge via the internet at <https://cases.stretto.com/CoreScientific>. Only the Ballots and the Combined Hearing Notice will be provided in paper format. Any creditor or equity holder for which service by USB flash drive imposes a hardship may request an additional copy of the Disclosure Statement (and attachments) and Disclosure Statement Order with Solicitation and Voting Procedures in paper format by contacting Stretto through (i) e-mail at CoreScientificInquiries@stretto.com, (ii) by writing to Core Scientific, Inc., c/o Ballot Processing Center, C/O Stretto, Inc. 410 Exchange, Suite 100 Irvine, CA 92602, or (iii) via telephone, toll-free, at 949.404.4152 (Toll-Free) or +1 888.765.7875 (if calling from outside the U.S.) (outside of the U.S. and Canada). Upon receipt of such request, the Debtors will provide such creditor or equity holder with a paper copy of the Plan, Disclosure Statement, and Disclosure Statement Order at no cost to the creditor or equity holder within five (5) days of such request or as soon as reasonably practicable thereafter.

The Debtors shall mail to Holders of Claims and Interests in Voting Classes entitled to vote on the Plan as of the Voting Record Date the Solicitation Packages by November 17, 2023, or as soon as reasonably practicable thereafter (the “**Solicitation Mailing Deadline**”). The Debtors will also provide complete Solicitation Packages (excluding Ballots) to the U.S. Trustee and all parties in interest required to be notified under Bankruptcy Rule 2002 and Local Rule 2002-1.

The Debtors are not required to mail Solicitation Packages to creditors or interest holders (i) who have Claims or Interests that have already been paid in full during the Chapter 11 Cases, (ii) whose prior mailings in these chapter 11 cases were returned as undeliverable and who have not provided a forwarding address by the Voting Record Date, (iii) who hold Class 4 (Other Secured Claims), Class 7 (Priority Non-Tax Claims), Class 9 (Intercompany Claims), or Class 10 (Intercompany Interests), and/or (iv) who are not otherwise entitled to vote to accept or reject the Plan in accordance with the terms and provisions of these Solicitation and Voting Procedures.

⁶ Official Bankruptcy Form No. B 314 can be found at <http://www.uscourts.gov/forms/bankruptcy-forms>, the official website for the United States Bankruptcy Courts.

In the event that the United States Postal Service returns any mailings as undeliverable, the Debtors are excused from mailing Solicitation Packages or Notices of Non-Voting Status to addresses from which the Debtors received mailings returned as undeliverable. For purposes of serving the Solicitation Packages and Notices of Non-Voting Status, the Debtors may rely on the address information for the Holders of Claims and Interests as compiled, updated, and maintained by the Voting Agent as of the Voting Record Date. The Debtors and the Voting Agent are not required to conduct any additional research for updated addresses based on undeliverable Solicitation Packages (including Ballots) and will not be required to resend Solicitation Packages or other materials, including Notices of Non-Voting Status, that are returned as undeliverable unless the Debtors are provided with accurate addresses for such parties prior to the Voting Record Date.

To avoid duplication and reduce expenses, the Debtors will use commercially reasonable efforts to ensure that each Holder of a Claim or Interest receives no more than one Solicitation Package (and, therefore, one Ballot) on account of such Claim or Interest and with respect to that Class as against the Debtors.

4. Forms of Ballots.

Holders of Claims and Interests in the Voting Classes that are eligible to vote (as set forth herein) shall receive ballots substantially in the forms attached to the Disclosure Statement Order as **Exhibits 3–12** (the “**Ballots**”), as applicable.⁷ All Holders of Claims and Interests in the Voting Classes will receive a Ballot that includes an election to opt out of the non-debtor release provisions in section 10.6(b) of the Plan (the “**Non-Debtor Release Provisions**”). Holders of Claims and Interests in the Voting Classes that properly and timely elect to opt out of the Non-Debtor Release Provisions will not be a Releasing Party or Released Party under the Plan.

The Debtors will distribute Ballots to each of the Holders of Claims or Interests in Voting Classes; *provided*, that the following procedures shall apply, as applicable:

Holders of Miner Equipment Lender Claims in Class 3 and Class 8.

Each Holder of a Miner Equipment Lender Claim will receive two Ballots: one Ballot on account of its Miner Equipment Lender Secured Claim in Class 3 and one Ballot on account of its Miner Equipment Lender Deficiency Claim, which constitutes a General Unsecured Claim in Class 8. Furthermore, as described in the Plan and section 7 below, each Holder of a Miner Equipment Lender Claim will be entitled to elect on its Ballot to receive the Default Miner Equipment Lender Treatment, Miner Equipment Lender Treatment Election 1, or Miner Equipment Lender Treatment Election 2. Notwithstanding the election option chosen by a Holder of a Miner Equipment Lender Secured Claim in Class 3 pursuant to the Plan, each Holder of a Miner Equipment Lender Deficiency Claim shall be entitled vote its Miner Equipment Lender Deficiency Claim in Class 8; *provided*, that, as provided in the Plan, if such Holder elects Miner

⁷ Stretto is required to retain all paper copies of Ballots and all solicitation-related correspondence for one (1) year following the Effective Date, whereupon, Stretto is authorized to destroy and/or otherwise dispose of all paper copies of Ballots; printed solicitation materials including unused copies of the Solicitation Package; and all solicitation-related correspondence (including undeliverable mail), in each case unless otherwise directed by the Debtors or the Clerk of the Court in writing within such one (1) year period.

Equipment Lender Treatment Election 2 on its Ballot, such Holder shall waive its recovery on account of its Miner Equipment Lender Deficiency Claim in Class 8 and shall not be entitled to vote in Class 8.

Holders of Existing Common Interests in Class 12.

The Debtors are authorized to distribute the following three forms of Ballots with respect to Existing Common Interests in Class 12: (i) a form of Ballot for registered holders of Class 12 (the “**Equity Registered Holder Ballot**”); (ii) a form of Ballot for a beneficial holder of Class 12 (an “**Equity Beneficial Holder**,” and the corresponding ballot, the “**Equity Beneficial Holder Ballot**”); and (iii) a form of Ballot for the bank, broker, or other financial institution “in street name” at DTC on behalf of the Equity Beneficial Holder (the “**Equity Nominee**”) (or agent thereof) to transmit the votes of one or more beneficial owners (the “**Equity Master Ballot**”).

Any registered holder holding an Existing Common Interest shall vote on the Plan by completing and signing an Equity Registered Holder Ballot on its own behalf and returning such Ballot directly to the Voting Agent on or before the Voting Deadline;

The following additional procedures shall apply to Interests of Equity Beneficial Holders who hold their position at DTC in “street name” through an Equity Nominee:

- (a) the Voting Agent shall distribute, or cause to be distributed, the appropriate number of copies of Ballots to Equity Nominees identified by the Voting Agent as entities through which Equity Beneficial Holders hold Existing Common Interests as of the Voting Record Date;
- (b) any Equity Nominee that is a holder of record with respect to Existing Common Interests shall solicit votes from Equity Beneficial Holders of such claims and interests by: (i) distributing the Solicitation Packages, including the Equity Beneficial Holder Ballots, as applicable, it receives from the Voting Agent to all such Equity Beneficial Holders, no later than five (5) business days following receipt of the Solicitation Package⁸; (ii) providing such Equity Beneficial Holders with a return address and envelope to send Ballots; (iii) promptly collecting Equity Beneficial Holder Ballots from such Beneficial Holders that cast votes on the Plan; (iv) compiling and validating the votes and other relevant information of all such Equity Beneficial Holders on the Equity Master Ballot; and (v) transmitting the applicable Equity Beneficial Holder Ballot to the Voting Agent by the Voting Deadline;
- (c) any Equity Beneficial Holder holding an Existing Common Interest in “street name” through an Equity Nominee must vote on the Plan through such Equity Nominee by completing and signing the Equity Beneficial Holder Ballot and returning such Ballot to

⁸ Solicitation Packages may be sent in paper format or via electronic transmission in accordance with the customary requirements of each Equity Nominee. Each Equity Nominee will then distribute the Solicitation Packages, as appropriate, in accordance with its customary practices and obtain votes to accept or to reject the Plan also in accordance with its customary practices. If it is the Equity Nominee’s customary and accepted practice to submit a “voting instruction form” to the Equity Beneficial Holders for the purpose of recording the Equity Beneficial Holder’s vote, the Equity Nominee will be authorized to send the voting instruction form in lieu of, or in addition to, an Equity Beneficial Holder Ballot.

the appropriate Equity Nominee as promptly as possible and in sufficient time to allow such Equity Nominee to process the Ballot and return the Equity Master Ballot to the Voting Agent prior to the Voting Deadline. Any Equity Beneficial Holder holding an Existing Common Interest in a “street name” that submits an Equity Beneficial Holder Ballot to the Debtors or Voting Agent will not have such Equity Beneficial Holder Ballot counted for purposes of accepting or rejecting the Plan;

- (d) any Equity Beneficial Holder Ballot returned to an Equity Nominee by an Equity Beneficial Holder shall not be counted for purposes of accepting or rejecting the Plan until such Equity Nominee properly completes and delivers to the Voting Agent the Equity Master Ballot that reflects the vote of such Equity Beneficial Holders by the Voting Deadline or otherwise validates the Equity Beneficial Holder Ballot in a manner acceptable to the Voting Agent. Equity Nominees shall retain all Equity Beneficial Holder Ballots returned by Equity Beneficial Holders for a period of one (1) year after the Effective Date of the Plan;
- (e) if an Equity Beneficial Holder holds an Existing Common Interest through more than one Equity Nominee or through multiple accounts, such Equity Beneficial Holder may receive more than one Equity Beneficial Holder Ballot and each such Equity Beneficial Holder should execute a separate Equity Beneficial Holder Ballot for each block of Existing Common Interests that it holds through any Equity Nominee and must return each such Equity Beneficial Holder Ballot to the appropriate Equity Nominee;
- (f) if an Equity Beneficial Holder holds a portion of its Existing Common Interests through an Equity Nominee or Equity Nominees and another portion in its own name as the record holder, such Equity Beneficial Holder should follow the procedures described herein to vote the portion held in its own name and the procedures described in the rest of this section to vote the portion held by the Equity Nominee(s); and
- (g) Equity Beneficial Holders holding Existing Common Interests through an Equity Nominee must return their paper ballot to its Equity Nominee, unless, at the option of the Equity Nominee, the Equity Nominee instructs their Equity Beneficial Holders that they may relay votes or voting instructions electronically or otherwise to the Equity Nominee or the entity preparing the Equity Master Ballot on such Equity Nominee’s behalf, and Equity Nominees may use their customary procedures for obtaining such votes electronically or otherwise.

5. **Notice of Non-Voting Status and Release Opt Out Formns.**

Holders of Claims and Interests in the Non-Voting Classes in lieu of a Solicitation Package, will receive (i) the Combined Hearing Notice (ii) a Notice of Non-Voting Status substantially in the form attached to the Disclosure Statement Order as **Exhibit 13** (the “**Notice of Non-Voting Status**”), and (iii) a Release Opt Out Form (as defined below); *provided* that, the Debtors are not required to serve Holders of Claims and Interests in Class 9 (Intercompany Claims) and Class 10 (Intercompany Interests) copies of the Combined Hearing Notice, Notice of Non-Voting Status, or any other type of notice in connection with solicitation of the Plan because such Claims and Interests are held by the Debtors or the Debtors’ affiliates.

The Notice of Non-Voting Status provides (i) notice of the Court's conditional approval of the Disclosure Statement, (ii) notice of the filing of the Plan and Disclosure Statement, (iii) notice of the Holders' non-voting status, and (iv) information about how to obtain copies of the Disclosure Statement and Plan. In addition, the Notice of Non-Voting Status contains the full text of the release, exculpation, and injunction provisions set forth in Article X of the Plan and advises such Holders in Non-Voting Classes that they will be bound by the Non-Debtor Release Provisions unless they timely and properly opt out.

The Debtors shall cause to be mailed a release opt out form, substantially in the form attached to the Disclosure Statement Order as **Exhibit 14** (the "**Release Opt Out Form**"), to Holders of Claims in Class 4 (Other Secured Claims) and Class 7 (Priority Non-Tax Claims). For Holders of Claims and Interests in the Voting Classes, the opt out option shall be on such Holder's Ballot.

In addition, Other Beneficial Owners shall receive a Release Opt Out Form and Combined Hearing Notice. The Debtors shall cause to be mailed (i) the Release Opt Out Form and (ii) the Combined Hearing Notice, to the banks, brokers, and financial institutions (or their agents) that might have purchased equity securities in "street name" (collectively, including their agents, the "**Nominees**") on behalf of the Other Beneficial Owners. With their mailing, the Debtors shall include instructions to the Nominees concerning the requirements in subparagraphs (a)–(d) below.

- (a) such Nominees shall either: (i) within seven (7) calendar days of receipt of the Release Opt Out Form and Confirmation Hearing Notice, request from the Debtors sufficient copies of the Release Opt Out Form and Confirmation Hearing Notice to forward to all such beneficial owners and within seven (7) calendar days of receipt of those notices and claim forms forward them to all such beneficial owners; or (ii) within seven (7) calendar days of receipt of the Release Opt Out Form and Confirmation Hearing Notice, provide a list of the names and addresses of all such beneficial owners to the Debtors and the Debtors shall send the Release Opt Out Form and Confirmation Hearing Notice promptly to such identified beneficial owners.
- (b) Nominees that elect to send the Release Opt Out Form and Confirmation Hearing Notice to their beneficial owners shall also send a statement to the Debtors and Stretto confirming that the mailing was made and shall retain their mailing records for use in connection with any further notices that may be provided in these Chapter 11 Cases.
- (c) if it is the Nominee's customary and accepted practice to forward such materials to beneficial owners by e-mail, e-delivery, or any other method of electronic or printed communication, the Nominees are authorized to follow those customary practices, within seven (7) calendar days of receipt of the materials, in lieu of sending actual printed copies of the Release Opt Out Form and Confirmation Hearing Notice.
- (d) within seven (7) calendar days of forwarding such notice, the Nominees may request reimbursement for reasonable and documented noticing costs and research fees, if any, by making such request in writing to the Debtors at the address to be provided by Stretto to the Nominees.

A Holder or Other Beneficial Owner that properly and timely elects on the Release Opt Out Form to opt out of the Non-Debtor Release Provision will not be a Releasing Party or Released Party under the Plan. An encrypted opt-out data and audit trail will be created through the electronic submission process and become part of the record of any opt-out election submitted in this manner. Additionally, any Holder's or Other Beneficial Owner's electronic signature will be deemed to be legally valid and effective immediately. For the avoidance of doubt, Voting Agent's online portal at <https://cases.stretto.com/CoreScientific> (the "**Online Portal**") is the sole method for Holders of Claims and Interests in Non-Voting Classes and Other Beneficial Owners to transmit opt-out elections electronically. All Release Opt Out Forms must be properly completed and returned by **December 13, 2023 at 5:00 p.m. (Prevailing Central Time)** (the "**Opt Out Deadline**") either by (i) delivering the Release Opt Out Form to the Voting Agent by first-class mail, hand delivery, or overnight courier or (ii) submitting the Release Opt Out Form by electronic, online transmission through the Online Portal, each in accordance with the instructions included on the Release Opt Out Form.

6. **Voting Deadline.**

The Court has established **December 13, 2023** as the deadline to submit votes to accept or reject the Plan (the "**Voting Deadline**"). The Debtors may extend the Voting Deadline, in their discretion, without further order of the Court. To be counted as a vote to accept or reject the Plan, each Ballot must be properly executed, completed, and delivered to the Voting Agent: (i) by first-class mail in the return envelope provided with each Ballot; (ii) by overnight mail; (iii) by hand delivery, (iv) via E-Ballot through the Online Portal, or, (v) only with respect to Equity Master Ballots, via electronic mail to CoreScientificInquiries@stretto.com so that (in each instance) it is **actually received** by the Voting Agent no later than the Voting Deadline.

Holders of Claims and Interests mailing their Ballots to the Voting Agent shall mail them to the following address:

STRETTO'S ADDRESS FOR RECEIPT OF PAPER BALLOTS (WHETHER BY HAND DELIVERY, OVERNIGHT MAIL, OR FIRST CLASS MAIL)
<p style="text-align: center;">CORE SCIENTIFIC, INC. BALLOT PROCESSING CENTER C/O STRETTO, INC. 410 EXCHANGE, SUITE 100 IRVINE, CA 92602</p>

In all instances, Holders shall consult their Ballot for specific instructions regarding submission of their votes and any elections.

7. **Tabulation Procedures.**

General Rules.

The following voting procedures and standard assumptions shall be used in tabulating Ballots, subject to the Debtors' right to waive any of the below specified requirements

for completion and submission of Ballots so long as such requirement is not otherwise required by the Bankruptcy Code, Bankruptcy Rules, or Bankruptcy Local Rules:

- (a) whenever a Holder of Claims or Interests casts more than one Ballot voting the same Claims and Interests before the Voting Deadline, the latest dated valid Ballot received on or before the Voting Deadline shall be deemed to reflect such creditor's or equity security holder's intent and thus, supersede any previously received, Ballot. Following the Voting Deadline, no Ballot may be changed or revoked, absent further order of the Court or as directed by the Debtors.
- (b) whenever a Holder of Claims or Interests casts a Ballot that is properly completed, executed, and timely returned to the Voting Agent but does not indicate either an acceptance or rejection of the Plan, the Ballot will not be counted.
- (c) whenever a Holder of Claims or Interests casts a Ballot that is properly completed, executed, and timely returned to the Voting Agent but indicates both an acceptance and a rejection of the Plan, the Ballot will not be counted.
- (d) a Holder shall be deemed to have voted the full amount of its Claim or Interest in each Class and shall not be entitled to split its vote within a particular Class or between more than one Debtor. Any such Holder's Ballot that partially accepts and partially rejects the Plan, between the same or multiple Debtors, will not be counted.
- (e) a Person signing a Ballot in its capacity as a trustee, executor, administrator, guardian, attorney in fact, officer of a corporation, or otherwise acting in a fiduciary or representative capacity of a Holder of Claims or Interests should indicate such capacity when signing, and if so requested by the Debtors or the Voting Agent, must submit proper evidence satisfactory to the Debtors of its authority to so act.
- (f) a Holder of Claims or Interests against more than one Debtor that casts a single Ballot shall have its votes counted separately with respect to each such Debtor.
- (g) a Holder of Claims or Interests in more than one Class must use separate Ballots for each Class of Claims or Interests.
- (h) the Debtors, unless subject to contrary order of the Court, may waive any defects or irregularities as to any particular irregular Ballot at any time, either before or after the Voting Deadline.
- (i) Holders in Class 3 shall receive two Ballots: (i) a Class 3 Ballot to vote the Allowed Miner Equipment Lender Secured Claims, and (ii) a Class 8 Ballot to vote the Allowed Miner Equipment Lender Deficiency Claims. Holders of Allowed Miner Equipment Lender Secured Claims and Allowed Miner Equipment Lender Deficiency Claims must vote each ballot consistently, either to accept or reject the Plan. Holders that vote inconsistently may have their vote(s) discarded. If a Holder of an Allowed Miner Equipment Lender Secured Claim elects Miner Equipment Lender Election 2 on its Class 3 Ballot and submits a Ballot on account of its Miner Equipment Lender Deficiency Claim in Class 8, such Class 8 Ballot shall be discarded.

(j) the following Ballots shall not be counted:

- i. any Ballot received after the Voting Deadline, unless the Debtors shall have granted an extension of the Voting Deadline in writing with respect to such Ballot or waived the late submission;
- ii. any Ballot that is illegible or contains insufficient information to permit the identification of the voting party;
- iii. any Ballot cast by a person or entity that does not hold a Claim or Interest in a Class that is entitled to vote to accept or reject the Plan;
- iv. any Ballot cast by a Person or Entity that is not entitled to vote, even if such individual or Entity holds a Claim or Interest in a Voting Class;
- v. any unsigned Ballot, provided that E-Ballots submitted on the Online Portal will be deemed to contain a legal, valid signature;
- vi. any Ballot containing a vote that the Court determines, after notice and a hearing, was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code; or
- vii. any Ballot transmitted to the Voting Agent by e-mail (other than an Equity Master Ballot) or facsimile or other means not specifically approved herein.

Rules for Existing Common Interests.

The following rules will apply with respect to the tabulation of Equity Master Ballots cast by Equity Nominees for Equity Beneficial Holders of Existing Common Interests:

- (a) votes cast by Equity Beneficial Holders through Equity Nominees will be applied to the applicable positions of Existing Common Interests held by such Equity Nominees as of the Voting Record Date, as evidenced by the applicable records. Votes submitted by an Equity Nominee will not be counted in excess of the amount of such Existing Common Interests held by such Equity Nominee as of the Voting Record Date;
- (b) if conflicting votes or “over votes” are submitted by an Equity Nominee, the Debtors will use reasonable efforts to reconcile discrepancies with the Equity Nominees;
- (c) if over votes on an Equity Master Ballot are not reconciled prior to the preparation of the vote certification, the Debtors shall apply the votes to accept and to reject the Plan in the same proportion as the votes to accept and to reject the Plan submitted on the Equity Master Ballot that contained the over-vote; and
- (d) a single Equity Nominee may complete and deliver to the Voting Agent multiple Equity Master Ballots. Votes reflected on multiple Equity Master Ballots will be counted, except to the extent that they are duplicative of other Equity Master Ballots. If two or more Equity Master Ballots are inconsistent, the last dated, valid Equity Master Ballot received prior to

the Voting Deadline will, to the extent of such inconsistency, supersede and revoke any prior dated Equity Master Ballot.

Rules for Election of Holders of Miner Equipment Lender Secured Claims in Class 3.

Holders of Miner Equipment Lender Secured Claims in Class 3 are entitled to make certain elections on their Ballots as to the form of consideration they receive pursuant to the Plan. The following procedures will govern the tabulation of their elections:

As set forth in the Plan, each Holder of Allowed Miner Equipment Lender Secured Claims shall be entitled to elect on its Ballot to receive, in lieu of the Default Miner Equipment Lender Treatment, the Miner Equipment Lender Treatment Election 1. Furthermore, Settling Miner Equipment Lenders shall be entitled to elect on its Ballot to receive, in lieu of the Default Miner Equipment Lender Treatment, the Miner Equipment Lender Treatment Election 2. If a Holder of an Allowed Miner Equipment Lender Secured Claim does not make any elections on its Ballot, such Holder shall receive the Default Miner Equipment Lender Treatment. If a Holder of an Allowed Miner Equipment Lender Secured Claim elects Miner Equipment Lender Treatment Election 2 and is not, or does not become, a Settling Miner Equipment Lender, then such Holder shall receive the Default Miner Equipment Lender Treatment.

Miscellaneous Rules.

Each Holder of Claims or Interests that votes to accept or reject the Plan is deemed to have voted the full amount of its Claim or Interest therefor.

The Voting Agent may, but is not required to, contact parties who submit incomplete or otherwise deficient Ballots to make a reasonable effort to cure such deficiencies, provided that, neither the Debtors nor Voting Agent is required to contact such parties to provide notification of defects or irregularities with respect to completion or delivery of Ballots, nor will any of them incur any liability for failure to provide such notification. Unless waived, any defects or irregularities in connection with deliveries of Ballots must be cured within such time as the Debtors (or the Court) determines. Neither the Debtors nor any other person will be under any duty to provide notification of defects or irregularities with respect to deliveries of Ballots nor will any of them incur any liabilities for failure to provide such notification. Delivery of such Ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived prior to the Voting Deadline) will be invalidated.

The Debtors and/or their Voting Agent, as applicable, are authorized to determine all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawal of Ballots, which determination will be final and binding on all parties.

The Debtors are authorized to reject any and all Ballots submitted by any Holders of Claims or Interests not in proper form, the acceptance of which would, in the opinion of the Debtors or their counsel, as applicable, be unlawful.

The Debtors are further authorized to waive any defects or irregularities or conditions of delivery as to any particular Ballot by any Holders of Claims or Interests. The interpretation (including the Ballot and the respective instructions thereto) by the Debtors in accordance with the foregoing sentence will be final and binding on all parties.

The Debtors or their Voting Agent shall file the Voting Report on or before **December 18, 2023**.

8. Combined Hearing Notice.

Within three (3) days after entry of the Disclosure Statement Order, or as soon as reasonably practicable thereafter, the Debtors will serve the Notice Parties and Holders of Claims and Interests in the Non-Voting Classes via e-mail or first-class mail, a copy of the Combined Hearing Notice, which sets forth (i) the Voting Deadline, (ii) the Objection Deadline and procedures for filing objections and responses to confirmation of the Plan, (iii) the time, date, and place for the Combined Hearing, and (iv) information about the Plan's release and injunction provisions in compliance with Bankruptcy Rule 2002(c)(3). The Debtors will separately serve Holders of Claims and Interests in Voting Classes with the Combined Hearing Notice as part of their Solicitation Packages.

The Debtors may, in their discretion, give supplemental publication notice of the Combined Hearing, no later than twenty-eight (28) days prior to the Combined Hearing, in one or more local or foreign newspapers, trade journals, or similar publications as the Debtors deem appropriate.

The Debtors reserve the right, and are authorized to, in consultation with the Requisite Consenting Creditors, make non-substantive or immaterial changes to the Disclosure Statement, Plan (including, for the avoidance of doubt, the Plan Supplement), Ballots, Combined Hearing Notice, and related documents without further order of the Court, including, without limitation, changes to correct typographical and grammatical errors, if any, and to make conforming changes among the Disclosure Statement, the Plan, and any other materials in the Solicitation Packages before their distribution; *provided* that all such modifications shall be made in accordance with the terms of the document being modified and the Plan.

To: Equity Holders of Core Scientific, Inc.

I. Recommendation

You are receiving this letter because you hold equity in Core Scientific Inc. (“**Core**”). On December 22, 2022, Core and its affiliated debtor entities (collectively, the “**Debtors**”) filed chapter 11 bankruptcy cases. The Official Committee of Equity Security Holders (the “**Equity Committee**”) was appointed in March 2023 to represent the interests of all equity holders in the Debtors’ bankruptcy cases. The Equity Committee has fought tirelessly for equity holders and engaged in extensive negotiations with the Debtors and other stakeholders in these chapter 11 cases. The result of these efforts and negotiations is the Debtors’ *Third Amended Joint Chapter 11 Plan* [Docket No. 1407] (the “**Plan**”), which resolves various disputes among the Debtors, the Equity Committee, and certain other stakeholders, including an ad hoc group of the Debtors’ secured convertible notes (the “**Ad Hoc Noteholder Group**”).

The Equity Committee supports the Plan and believes that it provides a fair and reasonable outcome for existing equity holders under the circumstances—with significantly more recovery for equity holders than was contemplated when these bankruptcy cases were initially filed. Under the Plan, equity holders will receive their pro rata share of:

- equity in reorganized Core, anticipated to be approximately 32% of the total equity;
- two tranches of warrants to purchase up to 50% of the equity in reorganized Core in the future, if certain conditions are met; and
- the opportunity to participate in an Equity Rights Offering (“**ERO**”) to purchase additional equity in reorganized Core at a 30% discount to the \$1.5 billion Plan enterprise value.

Accordingly, the Equity Committee recommends that you vote in favor of the Plan by checking the “ACCEPT (vote for) the Plan” box on the ballot you have received with this letter.

Accept (vote for) the Plan

For your vote to count, you must submit your ballot in accordance with the instructions provided in these materials so that is actually received no later than **5:00 pm Central Time on December 13, 2023.**

Although this letter provides a summary of the terms of the Plan and the material events of these chapter 11 cases, you must read the Plan, the Disclosure Statement, and the other materials included with this letter. Those materials provide specific instructions on how to properly submit your Ballot so your vote is counted.

II. Background

Core and its subsidiaries filed their chapter 11 bankruptcy cases in December 2022, in the midst of the “crypto-winter” and significantly depressed bitcoin prices. At the time, the Debtors had entered into a restructuring support agreement that would have provided the Ad Hoc Noteholder Group with more than 97% of the equity interests in reorganized Core, with the remaining 3% shared between unsecured creditors and existing equity holders.

As the price of bitcoin began to rebound in early 2023, the Debtors elected to terminate their restructuring support agreement with the Ad Hoc Noteholder Group on February 10, 2023 [Docket No. 517]. In parallel with these improving market conditions, an ad hoc group of existing equity holders began advocating for the appointment of an equity committee and in March 2023, after litigation and negotiations, the Debtors and other stakeholders agreed to appointment of an equity committee. On March 23, 2023, the U.S. Trustee filed the notice appointing the members of the Equity Committee [Docket No. 724]. The Equity Committee has since retained Vinson & Elkins LLP as its legal counsel and FTI Consulting, Inc. as its financial advisor.

Throughout the spring of 2023, the price of bitcoin continued to climb. The Debtors revised their business plan to address the changing market and presented the revised business plan to the Court on May 22, 2023 [Docket No. 923]. In the months that followed, the Debtors and the Equity Committee sought to establish consensus regarding the revised business plan and a proposed plan of reorganization that reflected the improved market conditions and provided a corresponding recovery to the Debtors’ equity holders. However, significant disputes emerged regarding the Debtors’ enterprise value and corresponding recoveries to stakeholders.

In hopes of finding a consensual path forward, the Debtors and their stakeholders agreed to mediate these issues before the Honorable Marvin Isgur of the United States Bankruptcy Court for the Southern District of Texas in July 2023. This mediation lasted multiple months and eventually the Debtors and the Ad Hoc Noteholder Group agreed to the economic terms of a potential settlement. However, implementing this settlement required extensive negotiations with other parties, including the Equity Committee.

On October 30, 2023, these negotiations were memorialized in the *Restructuring Term Sheet*, among the Debtors, the Equity Committee, and the Ad Hoc Noteholder Group [Docket No. 1367], which set forth the economic terms of the proposed restructuring and formed the basis of the Plan. After further negotiations, the Debtors, the Equity Committee, and the Ad Hoc Noteholder Group also agreed to the terms of a revised Restructuring Support Agreement, which formally documented the obligations and rights of the parties with respect to the proposed restructuring and was filed on the Court’s docket on November 16, 2023 [Docket No. [•]] (the “**RSA**”).

III. The Plan

The Plan, which is the product of months-long mediation and negotiation, settles several contested issues among the Debtors, the Equity Committee, and the Ad Hoc Noteholder Group. Any alternatives to the Plan would likely result in protracted litigation, diminished recoveries to equity holders, and increased professional fees due to the additional time spent in chapter 11. The

treatment for all holders of claims and interests is set forth in Article IV of the Plan and in Section II of the Disclosure Statement.

Specifically, the Plan provides the following treatment for Core's existing equity holders on a *pro rata* basis:

- Equity holders will receive approximately 32% of the equity interests of reorganized Core, after distribution to senior creditors under the Plan.
- Equity holders will also receive two tranches of warrants, which are summarized in the table below. The Tranche 1 Warrants have a 3-year term. Within those three years, the Tranche 1 Warrants may be redeemed for up to 30% of outstanding equity after reorganized Core's enterprise value reaches a strike price of \$1.875 billion. The Tranche 2 Warrants have a 5-year term and may be redeemed for up to 20% of outstanding equity after reorganized Core's enterprise value reaches \$2.5 billion.¹

	Tranche 1 Warrants	Tranche 2 Warrants
Amount	Up to 30% of equity in reorganized Core, subject to dilution by Tranche 2 Warrants	Up to 20% of equity in reorganized Core
Exercise Valuation	Strike price based on \$1.875 billion TEV	Penny warrant exercisable at or above \$2.5 billion TEV
Exercise Provision	Cash exercise only	Cash or cashless exercise
Term	Three years	Five years
Black-Scholes Protections	Yes, with respect to consideration other than listed, freely tradable stock	Yes, with respect to consideration other than listed, freely tradable stock

- Equity holders will also receive the opportunity to subscribe to the ERO for up to \$55 million of reorganized Core's equity interests. The equity interests in the ERO are available at a 30% discount to the Plan's proposed equity value. As a result, existing equity holders have a unique opportunity to purchase additional shares of reorganized Core at a discount in addition to their recovery of equity interests in reorganized Core.

¹ A detailed description of the warrants and their terms is available in Section [I.A.iii] of the Disclosure Statement.

An illustration of the potential equity splits under the Plan is included below.

	\$37.1 million Rights Offering	\$55 million Rights Offering
Class	% of Effective Date	New Common Interests²
Convertible Noteholder Equity Distribution	37.9%	34.0%
Class 3 (Miner Equipment Lenders)	4.2%	4.2%
Class 8 (GUC Claims)	10.2%	10.2%
Class 11 (510(b) Claims)	0%	0%
Class 12 (Existing Common Interests)	32.6%	33.3%
Rights Offering–Backstop Commitment Premium	1.4%	1.4%
Rights Offering– Subscription + Backstop Shares	6.8%	10.1%
Shares reserved for Bitmain	6.9%	6.9%
Total	100%	100%
Total Existing Common Interest Equity Ownership (including Backstop Fee)³	40.8%	44.7%

IV. The Equity Rights Offering

The ERO will provide the Debtors with up to \$55 million of liquidity to fund recoveries to stakeholders under the Plan and provide the Company with additional liquidity. Equity holders have the opportunity to subscribe to their pro rata percentage of subscriptions offered in the ERO. Additional details regarding the ERO have been separately sent to you, but a key feature of the shares offered in the ERO is that they are issued at a 30% discount to the “Plan Equity Value” based on a \$1.5 billion total enterprise value for Core. As a result, an existing equity holder that invested \$1.0 million in subscription rights in the ERO would receive approximately \$1.42 million of value in equity of reorganized Core after applying the 30% discount.

V. Conclusion

The Equity Committee believes that the Plan provides a fair and reasonable recovery for Core’s existing equity holders under the circumstances and the most expeditious path for the Debtors to emerge from these chapter 11 cases. Accordingly, as stated above, the Equity Committee supports the Plan, and encourages each equity holder receiving this letter to vote to

² These equity percentages are illustrative only and are subject to changes based on, among others, final professional fees, the resolution of certain disputed claims asserted by creditors, and elections made by senior creditors, among others. If claims are allowed in amounts different than the Debtors’ estimate, the percentages below may differ from the estimates provided.

³ Includes Backstop Fees earned by Commitment Parties (as defined below) that hold existing equity interests of Core.

RIGHTS OFFERING PROCEDURES

The New Common Interests to be issued and distributed by Core Scientific, Inc. to Holders of Existing Common Interests (“Eligible Equity Holders”)¹ pursuant to the Rights Offering referred to in these Rights Offering Procedures (the “Rights Offering”) are being distributed and issued without registration under the Securities Act in reliance upon the exemption from registration provided by section 1145 of the Bankruptcy Code (the “Rights Offering Shares”).

Unless otherwise agreed and subject to the terms of the Plan, each Eligible Equity Holder shall have the right, but not the obligation, to use subscription rights to subscribe for the purchase of Rights Offering Shares (the “Subscription Rights” and each holder thereof, a “Subscription Rights Holder”). In addition, each Subscription Rights Holder is being granted the right (an “Oversubscription Right”) to elect to purchase additional Rights Offering Shares in the event that less than the aggregate number of Rights Offering Shares offered in the Rights Offering is timely, duly and validly subscribed and paid for by Subscription Rights Holders (such unsubscribed Rights Offering Shares, the “Unsubscribed Shares” and such election an “Oversubscription Election”). The Unsubscribed Shares issued upon exercise any Oversubscription Rights will be issued without registration under the Securities Act in reliance upon the exemption from registration provided by section 1145 of the Bankruptcy Code.

All shares issued to the Commitment Parties, if any, on account of their Backstop Commitments will be issued without registration pursuant to Section 4(a)(2) or Regulation D of the Securities Act.

Only Subscription Rights Holders (including the Commitment Parties) that hold Existing Common Interests as of the Record Date are allowed to participate in the Rights Offering. No offer or invitation to subscribe or purchase is being made to any person who is not a Subscription Rights Holder, and no such person should or may act or rely on any offer or invitation to subscribe or purchase Rights Offering Shares or Unsubscribed Shares contained in this document.

None of the Subscription Rights, Oversubscription Rights or Rights Offering Shares issuable upon exercise of such rights distributed under the Plan and pursuant to these Rights Offering Procedures have been or will be registered under the Securities Act, nor any state or local law requiring registration for offer and sale of a security. Any Holder who subscribes for Rights Offering Shares or Unsubscribed Shares that is an “underwriter,” as that term is defined for purposes of section 1145 of the Bankruptcy Code, will be subject to restrictions on its ability to resell those securities. Resale restrictions are discussed in more detail in Article VII of the Disclosure Statement (as defined below), entitled “Transfer Restrictions and Consequences Under Federal Securities Law.”

Any Subscription Rights Holder that holds Existing Common Interests with its Subscription Nominee (as defined below) in DTC (as defined below), that desires to exercise its Subscription Rights or Oversubscription Rights, as applicable, must (i) direct its Subscription Nominee to tender its Existing Common Interests into the appropriate option on DTC’s ATOP platform prior to the ATOP Tender Deadline (as defined below) and (ii) complete and return (or coordinate with its Subscription Nominee to return) to the Subscription Agent (as defined below) a Subscription Form (with

¹ Eligible Equity Holders are Holders of Existing Common Interests as of the Rights Offering Record Date (*i.e.*, November 16, 2023).

accompanying IRS Form W-9 or appropriate IRS Form W-8, as applicable) and pay (or arrange for its Subscription Nominee to pay) the Aggregate Purchase Price (as defined below) and Oversubscription Funding Amount (as defined below) (together, the “Aggregate Subscription Amount”), if applicable, so that such payment is actually received by the Subscription Agent on or before the Rights Offering Subscription Deadline (as defined below).

Any Subscription Rights Holder that holds Existing Common Interests directly on the books and records of the Debtors, that desires to exercise its Subscription Rights or Oversubscription Rights, as applicable, must complete and return to the Subscription Agent the Subscription Form (with accompanying IRS Form W-9 or appropriate IRS Form W-8, as applicable) and pay the Aggregate Subscription Amount to the Subscription Agent, prior to the Rights Offering Subscription Deadline.

Any Subscription Rights Holder that holds Existing Common Interests with both its Subscription Nominee in DTC and directly on the books and records of the Debtors will receive multiple Subscription Forms, each of which must be completed and returned by such Subscription Rights Holder or by such Subscription Rights Holder’s Subscription Nominee, as applicable, to the Subscription Agent (with accompanying IRS Form W-9 or appropriate IRS Form W-8, as applicable) prior to the Rights Offering Subscription Deadline. With respect to the portion of such Subscription Rights Holder’s Existing Common Interests held with its Subscription Nominee in DTC, it must direct its Subscription Nominee to tender such Existing Common Interests into the appropriate option on DTC’s ATOP platform prior to the ATOP Tender Deadline.

No Subscription Rights or Oversubscription Rights may be sold, transferred, assigned, pledged, hypothecated, participated, donated or otherwise encumbered or disposed of, directly or indirectly (including through derivatives, options, swaps, forward sales or other transactions in which any person receives the right to own or acquire any current or future interest in the Subscription Rights, Oversubscription Rights, Rights Offering Shares or claims funded pursuant to the Backstop Commitment Letter and any related claims). In addition, after Subscription Rights or Oversubscription Rights are exercised with respect to any Existing Common Interests, such Existing Common Interests may not be sold, transferred, assigned, pledged, hypothecated, participated, donated or otherwise encumbered or disposed of, directly or indirectly, and any purported trading, assignment or transfer of such Existing Common Interests shall be deemed null and void; provided that with respect to the Commitment Parties, the transfer restrictions set forth in the Backstop Commitment Letter shall govern.

The Rights Offering is being conducted in good faith and in compliance with the Bankruptcy Code. In accordance with Section 1125(e) of the Bankruptcy Code, a debtor or any of its agents that participate, in good faith and in compliance with the applicable provisions of the Bankruptcy Code, in the offer, issuance, sale, or purchase of a security offered or sold under the plan of the debtor, of an affiliate participating in a joint plan with the debtor, or of a newly organized successor to the debtor under the plan, is not liable, on account of such participation, for the violation of any applicable law, rule, or regulation governing the offer, issuance, sale or purchase of securities.

All required documentation to participate in the Rights Offering must be completed and timely submitted along with arrangement of payment of the Aggregate Subscription Amount for the exercise of Subscription Rights and, as applicable, Oversubscription Rights, which must be actually and timely received by the Subscription Agent no later than the Rights Offering Subscription Deadline, in accordance with all terms and conditions set forth in these Rights Offering Procedures and the Subscription Form.

Notwithstanding the foregoing, the Commitment Parties must deliver their Backstop Commitment Deposit to the Escrow Account within three business days following entry of the Backstop Order, in accordance with the terms of the Backstop Commitment Letter. The Commitment Parties must deliver their Aggregate Subscription Amount by the date that is specified in the Fundi Notice pursuant to the Backstop Commitment Letter (the “Backstop Funding Deadline”).

All questions concerning the timeliness, validity, form, and eligibility of any exercise or purported exercise of Subscription Rights or Oversubscription Rights shall be determined in good faith by the Debtors. Any Rights Offering submissions that do not properly comply with the requirements set forth in the Rights Offering Procedures and the applicable Subscription Form(s) will be deemed not to have been received or accepted until all such defects and irregularities have been cured or waived in writing by the Debtors. Unless waived in writing, any defects or irregularities must be cured by the Rights Offering Subscription Deadline in order to participate in the Rights Offering. The Debtors may provide notice to a Subscription Rights Holder who elects to exercise its Subscription Rights or Oversubscription Rights of defects or irregularities in connection with such exercise; provided that neither the Debtors nor the Reorganized Debtors nor any of their respective employees, Affiliates, or professionals shall incur any liability for giving, or failing to give, such notification and such opportunity to cure. For the avoidance of doubt, the submission of an inaccurate, incomplete, untimely, or otherwise defective Subscription Form or the failure to remit timely and full payment of the Aggregate Purchase Price to the Subscription Agent may result in the irrevocable relinquishment and waiver of a Subscription Rights Holder’s purported right, if any, to participate in the Rights Offering.

Capitalized terms used and not defined herein shall have the meaning assigned to them in the Plan (as defined below), the Disclosure Statement (as defined below) or the Backstop Commitment Letter, as applicable.

Backstop Funding Deadline.....	~December 20, 2023 ²	Deadline for Commitment Parties to deliver their Aggregate Subscription Amount pursuant to the Backstop Commitment Letter.

² Three business days after receipt of Funding Notice.

To Subscription Rights Holders:

On November 15, 2023, the Debtors filed with the United States Bankruptcy Court for the Southern District of Texas (Houston Division) (the “**Bankruptcy Court**”) the *Third Amended Joint Chapter 11 Plan of Core Scientific, Inc. and its Debtor Affiliates* (as may be altered, amended, modified or supplemented from time to time in accordance with the terms thereof, the “**Plan**”), and the *Disclosure Statement for Third Amended Joint Chapter 11 Plan Core Scientific, Inc. and its Debtor Affiliates* (as such may be altered, amended, modified or supplemented from time to time in accordance with the terms thereof, the “**Disclosure Statement**”). Pursuant to the Plan, each Holder of Existing Common Interests as of the Rights Offering Record Date (*i.e.*, November 16, 2023) will receive Subscription Rights to the extent set forth in the Plan and may subscribe for its pro rata allocation of New Common Interests being offered in the Rights Offering (the “**Rights Offering Shares**”); provided that; (i) for Subscription Rights Holders that hold Existing Common Interests “in street name” through The Depository Trust Company (“**DTC**”), it timely tenders/blocks its position in the Automated Tender Offer Program (“**ATOP**”) procedures of DTC in advance of the ATOP Tender Deadline and (ii) for all Subscription Rights Holders, including those who hold Existing Common Interests through the books and records of the Debtors and those who hold Existing Common Interests “in street name” through DTC, it properly executes and delivers (or coordinates with its Subscription Nominee to deliver) its executed Subscription Form for the Rights Offering to the Subscription Agent and pays (or causes its Subscription Nominee to pay) the Aggregate Subscription Amount as set forth in the paragraph below on or before the Rights Offering Subscription Deadline or, for Commitment Parties, the Backstop Funding Deadline, as applicable.

In addition, each Subscription Rights Holder will also have an Oversubscription Right to elect to purchase Unsubscribed Shares in an amount not to exceed the total number of Rights Offering Shares offered in the Rights Offering minus the total number of Rights Offering Shares that such Subscription Rights Holder duly, validly and timely elected to purchase pursuant to its Subscription Rights (such amount being referred to herein as the Subscription Rights Holder’s “**Maximum Oversubscription Amount**”); provided, however, that no Subscription Rights Holder may exercise an Oversubscription Right until it has also duly, validly and timely exercised in full its Subscription Right.

If you are a Subscription Rights Holder and do not wish to exercise your Subscription Rights, no action is necessary.

The “Aggregate Purchase Price” for each Subscription Rights Holder exercising Subscription Rights means the product of \$8.21710 per Rights Offering Share (subject to the Plan Claim Adjustment as defined and described herein) and the number of Rights Offering Shares to be issued pursuant to such Subscription Rights Holder’s exercise of Subscription Rights.

The price per Rights Offering Share assumes that the holders of Existing Common Interests, after giving effect to the reorganization transactions described in the Plan and Disclosure Statement, as amended and supplemented, will hold 1/25th the number of issued

and outstanding shares of common stock of the reorganized Core Scientific, Inc. upon its emergence from bankruptcy of what they hold as of November 20, 2023 (such ratio is subject to change). The current share price of the Core Scientific, Inc.'s common stock listed on OTC US (CORZQ:US) as of November 20, 2023, does not reflect the reorganization transactions described in the Plan and Disclosure Statement, and is not expected to be indicative of reorganized Core Scientific, Inc.'s post-emergence share price. The Plan and Disclosure Statement are available at the Debtors' restructuring website at <https://cases.stretto.com/corescientific/>.

No Subscription Rights Holder shall be entitled to participate in the Rights Offering unless the Aggregate Subscription Amount for the Rights Offering Shares it subscribes for, and, if applicable, for the Unsubscribed Shares it subscribes for, is received by the Subscription Agent (i) in the case of a Subscription Rights Holder that is not a Commitment Party, by the Rights Offering Subscription Deadline and (ii) in the case of the Commitment Parties, by the Backstop Funding Deadline. No interest is payable on any funding of the Aggregate Subscription Amount, except with respect to Commitment Parties in accordance with the terms of the Backstop Commitment Letter. If the Rights Offering is terminated for any reason, your Aggregate Subscription Amount will be returned to you promptly, and no interest will be paid on any returned Aggregate Subscription Amount; provided that, any Aggregate Subscription Amount returned to a Commitment Party will be returned with interest in accordance with the terms of the Backstop Commitment Letter.

As part of the exercise process, following the exercise of Subscription Rights, the Existing Common Interests that are held by Street Name Holders through DTC will be frozen from trading, as described below. All Street Name Holders must cause their Subscription Nominee to process and deliver the underlying Existing Common Interests through ATOP and complete and submit all the information required in connection with such delivery. **By giving the instruction to its Subscription Nominee to submit the underlying Existing Common Interests through ATOP, each Street Name Holder is (i) authorizing its Subscription Nominee to exercise all Subscription Rights associated with the amount of Existing Common Interests as to which the instruction pertains; and (ii) certifying that it understands that, once submitted, the underlying Existing Common Interests will be frozen from trading until the Effective Date, at which point such Street Name Holder will receive the relevant Rights Offering Shares and the underlying Existing Common Interests will be cancelled pursuant to the Plan.**

The amount of time necessary for a Subscription Nominee to process and deliver the applicable Existing Common Interests through ATOP may vary. Street Name Holders of Existing Common Interests are urged to consult with their Subscription Nominees to ensure the timely submission. Failure to complete the steps set forth in these Rights Offering Procedures by the applicable deadline will result in such Subscription Rights Holder being deemed to have forever and irrevocably relinquished and waived its Subscription Rights and Oversubscription Rights. None of the Debtors, the Subscription Agent, or the Commitment Parties (except for only such Commitment Party's own failure), will have any liability for any such failure.

The rights and obligations of the Commitment Parties in the Rights Offering shall be governed by the Backstop Commitment Letter, including to the extent the rights or obligations set forth therein differ from the rights and obligations set forth in these Rights Offering Procedures.

In order to participate in the Rights Offering, you must complete all of the steps outlined below. If all of the steps outlined below are not completed by the applicable deadline, you shall be deemed to have forever and irrevocably relinquished and waived your right to participate in the Rights Offering.

1. Rights Offering

All Subscription Rights Holders have the right, but not the obligation, to participate in the Rights Offering.

- All Subscription Rights Holders: Only Subscription Rights Holders who timely and properly submit (or cause their Subscription Nominee to submit) all documentation and required payments to the Subscription Agent in accordance with the procedures set forth herein will be eligible to participate in the Rights Offering and receive Rights Offering Shares.
- Street Name Holders must also cause their Subscription Nominee to tender their Existing Common Interests into ATOP before the ATOP Tender Deadline.

Subject to the terms and conditions set forth in the Plan, these Rights Offering Procedures and the Subscription Form, each Subscription Rights Holder shall be distributed its *pro rata* (as defined in the Plan) share of Subscription Rights and is entitled to subscribe, at a purchase price of \$8.21710 per whole share, for 0.01734 Rights Offering Shares per Existing Common Interest held by such Subscription Rights Holder (the “**Rights Factor**”); (subject to the Plan Claim Adjustment (as defined below)); notwithstanding the foregoing, the price per Rights Offering Share will decrease to the extent that (i) any holder of Miner Equipment Lender Claims elect the “Miner Equipment Lender Treatment Election 2” under the Plan and thereby waive its recovery on account of Miner Equipment Lender Deficiency Claim as a General Unsecured Claim and/or (ii) prior to emergence, any unsecured claims in Class 8 or Class 11 become disallowed or allowed in an amount less than the estimated maximum amount of such unsecured claim. As a result of the foregoing, there will be a corresponding increase in the number of Rights Offering Shares each participating Subscription Rights Holder will be issued in the Rights Offering in exchange for payment of their Aggregate Purchase Price (the “**Plan Claim Adjustment**”), as illustrated below. The minimum price per Rights Offering Share that could result from the Plan Claim Adjustment would be \$5.91665 per Rights Offering Share.

For illustrative purposes only, in the event a Subscription Rights Holder holds 1,000,000 Existing Common Interests, assuming no Plan Claim Adjustment, such Subscription Rights Holder could subscribe for 17,340 Rights Offering Shares by paying an Aggregate Purchase Price of

\$142,485, representing a price per Rights Offering Share of \$8.21710 and reflecting the Rights Factor.

However, as a result of the maximum possible Plan Claim Adjustment, in the event that a Subscription Rights Holder held 1,000,000 Existing Common Interests, and such Subscription Rights Holder fully subscribed to its Subscription Rights and paid an Aggregate Purchase Price of \$142,485, then such Subscription Rights Holder would receive 24,082 Rights Offering Shares, representing a price per Rights Offering Share of \$5.91665.

In addition, the Subscription Form provides that each Subscription Rights Holder will also have an Oversubscription Right to elect to purchase Unsubscribed Shares at a purchase price of \$8.21710 per share (subject to adjustment pursuant to the Plan Claim Adjustment), for aggregate cash consideration (such Subscription Rights Holder's "***Oversubscription Funding Amount***") not to exceed such Subscription Rights Holder's Maximum Oversubscription Amount; provided, however that no Subscription Rights Holder may exercise an Oversubscription Right unless it has also duly, validly and timely exercised in full its Subscription Rights.

In the event that the aggregate Rights Offering Shares issuable pursuant to the exercise of Oversubscription Rights exceeds the number of Unsubscribed Shares, Subscription Rights Holders who have made Oversubscription Elections will receive their *pro rata* share (measured as the proportion that the Unsubscribed Shares elected to be purchased by such Subscription Rights Holder bears to the aggregate amount of Unsubscribed Shares elected to be purchased by all Subscription Rights Holders) of the Unsubscribed Shares. The difference between the Oversubscription Funding Amount actually paid by such exercising Subscription Rights Holder and the Oversubscription Funding Amount that such Subscription Rights Holder is required to pay after giving effect to the proration, if any, shall be refunded no later than five (5) Business Days after the Rights Offering Subscription Deadline, or as soon as practicable thereafter.

Street Name Holders will be deemed to have exercised the Subscription Rights related to all Existing Common Interests tendered/blocked through the ATOP procedures of the DTC at the subscription rates set forth above. The Aggregate Purchase Price will be calculated based on the full subscription entitlement as set forth above.

To the extent the amount subscribed for through the Rights Offering (including pursuant to the Subscription Rights and Oversubscription Rights) is less than the Backstop Commitment Amount, the Commitment Parties will purchase any unsubscribed Rights Offering Shares up to the Backstop Commitment Amount, as set forth in the Backstop Commitment Letter.

Any Subscription Rights Holder who subscribes for Rights Offering Shares that is an "underwriter" as that term is defined for purposes of section 1145 of the Bankruptcy Code will also be subject to restrictions on its ability to resell those securities. Resale restrictions are discussed in more detail in Article VII of the Disclosure Statement, entitled "Transfer Restrictions and Consequences Under Federal Securities Law."

SUBJECT TO THE TERMS AND CONDITIONS OF THE RIGHTS OFFERING PROCEDURES AND THE BACKSTOP COMMITMENT LETTER IN THE CASE OF THE COMMITMENT PARTIES, AS APPLICABLE, ALL SUBSCRIPTIONS ARE IRREVOCABLE.

2. Subscription Period

The Rights Offering will commence on the Subscription Commencement Date and will expire at the Rights Offering Subscription Deadline (the “**Subscription Period**”).

Each Subscription Rights Holder intending to purchase Rights Offering Shares in the Rights Offering must affirmatively elect to exercise its Subscription Rights and Oversubscription Rights in the manner set forth in these Rights Offering Procedures by the Rights Offering Subscription Deadline.

Any exercise of Subscription Rights or Oversubscription Rights after the Rights Offering Subscription Deadline will not be allowed and any purported exercise received by the Subscription Agent after the Rights Offering Subscription Deadline, regardless of when the documents or payment relating to such exercise were sent, will not be honored.

The Rights Offering Subscription Deadline may be extended by the Debtors, in consultation with the Requisite Commitment Parties or as required by law.

3. Distribution of the Rights Offering Materials

On the Subscription Commencement Date, the Subscription Agent shall distribute, or cause to be distributed, the Rights Offering Procedures and the Subscription Form (collectively, the “**Rights Offering Materials**”), to all Holders of Existing Common Interests in the ordinary course of distribution, including, through DTC for Street Name Holders, and to each bank, broker, or other nominee (each, a “**Subscription Nominee**”) for any applicable Holder of Existing Common Interests identified to the Subscription Agent in advance of the Subscription Commencement Date. Street Name Holders must instruct their Subscription Nominee, as applicable, to tender/block their positions in DTC or the relevant depository. The Subscription Agent shall use such information only for purposes consistent with the Rights Offering Procedures and any order of the Bankruptcy Court.

Copies of the Rights Offering Materials may also be obtained by contacting the Subscription Agent or visiting the Debtors’ restructuring website at <https://cases.stretto.com/corescientific/>.

4. DTC

Certain of the Existing Common Interests are held in book-entry form in accordance with the practices and procedures of DTC. The Debtors intend to comply with the practices and procedures of DTC for the purpose of conducting the Rights Offering with respect to the Existing Common Interests held “in street name” through DTC.

With respect to the Rights Offering Shares issued to Street Name Holders, without limiting the foregoing, the Debtors intend that, to the extent practicable and consistent with law, such Rights Offering Shares will be issued in book entry form, and that DTC, or its nominee, will be the holder of record of such Rights Offering Shares. The ownership interest of each Street Name Holder of such Rights Offering Shares, and transfers of ownership interests therein, are expected to be recorded on the records of the direct and indirect participants in DTC. It is expected that all Rights Offering Shares exercised through DTC will be allocated to exercising holders through DTC on or as soon as practicable after the Effective Date.

5. Delivery of Subscription Form

Subject to the terms and conditions set forth in the Plan, these Rights Offering Procedures and the Subscription Form, each Subscription Rights Holder may exercise all or any portion of such holder's Subscription Rights and, if it has fully exercised its Subscription Rights, its Oversubscription Rights.

In order to facilitate the exercise of the Subscription Rights and Oversubscription Rights, beginning on the Subscription Commencement Date, the Subscription Agent will send a Subscription Form to each Holder of Existing Common Interests, together with appropriate instructions for the proper completion, due execution, and timely delivery of the executed Subscription Form, and the payment of the Aggregate Subscription Amount for its Rights Offering Shares. Street Name Holders must also instruct their Subscription Nominee to tender/block their positions through the ATOP procedures of the DTC by the ATOP Tender Deadline.

All Subscription Rights Holders **must** return (or cause their Subscription Nominee to return) a duly executed Subscription Form, including any supporting documentation required therewith, to the Subscription Agent by the Rights Offering Subscription Deadline in order to exercise such Subscription Rights Holder's Subscription Rights and Oversubscription Rights, as applicable.

6. Exercise of Subscription Rights and Oversubscription Rights

(a) In order to validly exercise its Subscription Rights, each Subscription Rights Holder must:

- (i) if the Subscription Rights Holder is not a Commitment Party and is a Street Name Holder, (1) no later than the ATOP Tender Deadline, direct its Subscription Nominee to tender/block its position(s) of Existing Common Interests through the ATOP procedures of DTC in an amount equal to the amount such holder wishes to exercise Subscription Rights, (2) return (or cause its Subscription Nominee to return) a duly executed Subscription Form to the Subscription Agent so that such documents are actually received by the Subscription Agent by the Rights Offering Subscription Deadline, and (3) no later than the Rights Offering Subscription Deadline, pay (or cause its Subscription Nominee to pay) the Aggregate Purchase Price to the Subscription Agent by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein;

- (ii) if the Subscription Rights Holder is not a Commitment Party and holds Existing Common Interests directly on the books and records of the Debtors, (1) return a duly executed Subscription Form to the Subscription Agent so that such documents are actually received by the Subscription Agent by the Rights Offering Subscription Deadline and (2) no later than the Rights Offering Subscription Deadline, pay the Aggregate Purchase Price to the Subscription Agent by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein;
 - (iii) if the Subscription Rights Holder is a Commitment Party and is a Street Name Holder, (1) no later than the ATOP Tender Deadline, direct its Subscription Nominee to tender/block its position(s) of Existing Common Interests through the ATOP procedures of DTC in an amount equal to the amount such holder wishes to exercise Subscription Rights, (2) return (or cause its Subscription Nominee to return) a duly executed Subscription Form to the Subscription Agent so that such documents are actually received by the Subscription Agent by the Rights Offering Subscription Deadline and (3) no later than the Backstop Funding Deadline, pay the Aggregate Purchase Price (or cause its Subscription Nominee to pay) (in accordance with the terms and conditions and in the form and manner set forth in the Backstop Commitment Letter) by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein, subject to the terms and conditions of the Backstop Commitment Letter; and
 - (iv) if the Subscription Rights Holder is a Commitment Party and holds Existing Common Interests directly on the books and records of the Debtors, (1) return a duly executed Subscription Form to the Subscription Agent so that such documents are actually received by the Subscription Agent by the Rights Offering Subscription Deadline and (2) no later than the Backstop Funding Deadline, pay the Aggregate Purchase Price (in accordance with the terms and conditions and in the form and manner set forth in the Backstop Commitment Letter) by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein, subject to the terms and conditions of the Backstop Commitment Letter.
- (b) In order to validly exercise its Oversubscription Rights, each Subscription Rights Holder or its Subscription Nominee (if applicable) must (in addition to having validly and timely exercised its Subscription Rights in full and having taken the actions required under 6 above):
- (i) indicate in its Subscription Form its Oversubscription Election, including the number of Unsubscribed Shares for which it is exercising such election; and
 - (ii) promptly upon returning its Subscription Form to the Subscription Agent, but in no event later than the Rights Offering Subscription Deadline, pay or have paid the applicable Oversubscription Funding Amount by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein;

provided that if such Subscription Rights Holder exercising its Oversubscription Rights is a Commitment Party it shall pay or have paid the applicable Oversubscription Funding Amount in the manner set forth in the foregoing clause no later than the Backstop Funding Deadline.

In the event that the funds received by the Subscription Agent from any Subscription Rights Holder do not correspond to the Aggregate Subscription Amount, payable for the Rights Offering Shares, including any Unsubscribed Shares, elected to be purchased by such Subscription Rights Holder, the number of Rights Offering Shares deemed to be purchased by such Subscription Rights Holder will be the lesser of (a) the number of shares of the Rights Offering Shares elected to be purchased by such Subscription Rights Holder and (b) a number of shares of the Rights Offering Shares determined by dividing the amount of the funds received by the applicable Aggregate Subscription Amount.

The cash paid to the Subscription Agent on account of the Aggregate Subscription Amount in accordance with these Rights Offering Procedures (other than any cash paid by the Commitment Parties) will be deposited and held by the Subscription Agent in a segregated account satisfactory to the Debtors until administered in connection with the settlement of the Rights Offering on the Effective Date or promptly thereafter pursuant to the Plan. The Subscription Agent may not use such cash for any other purpose prior to the Effective Date and may not encumber or permit such cash to be encumbered with any lien or similar encumbrance. Notwithstanding the foregoing, subject to the terms and conditions of the Backstop Commitment Letter, the cash paid by the Commitment Parties pursuant to these Rights Offering Procedures and/or the Backstop Commitment Letter, as applicable, will be deposited and held by the Debtors in the Escrow Account until released or otherwise refunded in accordance with the Backstop Commitment Letter. The cash held by the Subscription Agent for the Aggregate Subscription Amount received from all Subscription Rights Holders in connection with the Rights Offering shall not be deemed part of the Debtors' bankruptcy estates and, for the avoidance of doubt, will be non-interest bearing. The cash held by the Subscription Agent in the Escrow Account for the aggregate Backstop Commitment Deposit shall not be deemed part of the Debtors' bankruptcy estates and will be held in a separate interest-bearing escrow account in accordance with the Backstop Commitment Letter.

Each Subscription Rights Holder that participates in the Rights Offering is deemed to have made the following representations and acknowledgments:

- (i) Each Subscription Rights Holder recognizes and understands that the Subscription Rights and Oversubscription Rights are not transferrable and that the benefits of the Subscription Rights and Oversubscription Rights are not separable from the claim or securities with respect to which the Subscription Rights and Oversubscription Rights have been granted;
- (ii) Each Subscription Rights Holder represents and warrants that it will not accept a distribution of Rights Offering Shares if at such time it does not hold all of the Existing Common Interests associated with its Subscription Rights and, by accepting a distribution of Rights Offering Shares, such Subscription Rights Holder will be deemed to be the owner thereof; and

- (iii) Each Subscription Rights Holder represents and warrants that it held the Existing Common Interests associated with its Subscription Rights as of the Rights Offering Record Date.

7. Transfer Restriction; Revocation

The Subscription Rights and Oversubscription Rights are non-transferable and are not detachable from the applicable Existing Common Interests. If any Subscription Rights or Oversubscription Rights are transferred by a Subscription Rights Holder, such Subscription Rights will be cancelled automatically and neither such Subscription Rights Holder nor the purported transferee will receive any Rights Offering Shares otherwise purchasable on account of such transferred Subscription Rights or Oversubscription Rights.

Once a Subscription Rights Holder has properly exercised its Subscription Rights or Oversubscription Rights, as applicable, subject to the terms and conditions of the Subscription Form, and the Backstop Commitment Letter in the case of the Commitment Parties, such exercise will be irrevocable.

8. Return of Payment; Rights Offering Conditioned on Effectiveness of the Plan

Unless the Effective Date has occurred, the Rights Offering will be deemed automatically terminated without any action of any party upon revocation of the Plan.

If the Rights Offering is terminated or otherwise not consummated, any cash paid to the Subscription Agent will be promptly returned, without interest, to the applicable Subscription Rights Holder as soon as reasonably practicable, but in no event later than the later of the date that is five Business Days after the date on which the Rights Offering is terminated or the date the Subscription Agent receives the applicable refund information; provided that any cash paid to the Subscription Agent by the Commitment Parties, including on account of any Backstop Commitment Deposit and/or Aggregate Subscription Amount, will be promptly returned, with interest, to the applicable Commitment Party as soon as practicable, in accordance with the terms and conditions of the Backstop Commitment Letter.

All exercises of Subscription Rights and Oversubscription Rights are subject to and conditioned upon the effectiveness of the Plan. The Debtors will accept an exercise of the Subscription Rights and Oversubscription Rights only upon the confirmation and effectiveness of the Plan. Notwithstanding anything contained herein, in the Disclosure Statement or in the Plan to the contrary, the Debtors reserve the right, subject to the terms of the Backstop Commitment Letter, to modify these Rights Offering Procedures or adopt additional detailed procedures if necessary in the Debtors' business judgment to more efficiently administer the distribution and exercise of the Subscription Rights and Oversubscription Rights or comply with applicable law.

In the event that the aggregate Rights Offering Shares issuable pursuant to the exercise of Oversubscription Rights exceeds the number of Unsubscribed Shares, Subscription Rights Holders who have made Oversubscription Elections will receive their *pro rata* share (measured as the proportion that the Unsubscribed Shares elected to be purchased by such Subscription Rights

Holder bears to the aggregate amount of Unsubscribed Shares elected to be purchased by all Subscription Rights Holders) of the Unsubscribed Shares. The difference between the Oversubscription Funding Amount actually paid by such exercising Subscription Rights Holder and the Oversubscription Funding Amount that such Subscription Rights Holder is required to pay after giving effect to the proration, if any, shall be refunded no later than five Business Days after the Rights Offering Subscription Deadline, or as soon as practicable thereafter.

9. Fractional Shares

No fractional Subscription Rights, Oversubscription Rights or fractional Rights Offering Shares will be issued in the Rights Offering. All allocations for Rights Offering Shares will be calculated and rounded down to the nearest whole share.

10. Validity of Exercise of Subscription Rights

All questions concerning the timeliness, viability, form, and eligibility of any exercise of Subscription Rights or Oversubscription Rights will be determined in good faith by the Debtors, and, if necessary, subject to a final and binding determination by the Bankruptcy Court. The Debtors will not be deemed to have received nor otherwise accepted any exercise or subscription that is incomplete, inaccurate, untimely, or otherwise fails to conform to the requirements set forth in these Rights Offering Procedures. The Debtors may provide notification to a Subscription Rights Holder who elects to exercise its Subscription Rights or Oversubscription Rights, as applicable, of such defects or irregularities and permit such defects or irregularities to be waived, provided such waiver is executed in writing, or otherwise timely cured. Each such irregularity or defect, if reviewed, will be done so on an individual submission basis. For the avoidance of doubt, Subscription Forms will be deemed not to have been received or accepted until all defects or irregularities have been waived in writing or timely cured. None of the Debtors, the Reorganized Debtors, nor any of their respective employees, Affiliates, or professionals, shall incur any liability for giving, or failing to give, such notification or opportunity to cure.

Before exercising any Subscription Rights or Oversubscription Rights, Subscription Rights Holders should read the Disclosure Statement and the Plan, each as amended or supplemented, and all additional disclosures of financial information, including additional quarterly reports for quarters ending subsequent to the date of the Disclosure Statement filed with the Bankruptcy Court and made available at the Debtors' restructuring website at <https://cases.stretto.com/corescientific/> for information relating to the Debtors and the risk factors to be considered.

11. Modification of Procedures

The Debtors reserve the right to modify these Rights Offering Procedures, or adopt additional procedures consistent with these Rights Offering Procedures, to effectuate the Rights Offering and to issue the Rights Offering Shares; provided that the Debtors shall provide prompt written notice to each Subscription Rights Holder (which may be through such Subscription Rights Holder's Subscription Nominee) of any material modification to these Rights Offering Procedures made after the Subscription Commencement Date, which notice may be provided through posting

such notice on the Subscription Agent's website at <https://cases.stretto.com/corescientific/>; provided, however, that any material amendments or modifications to the terms of the Rights Offering require the consent of the Requisite Commitment Parties pursuant to the Backstop Commitment Letter and the Equity Committee pursuant to the RSA. In so doing, and subject to the prior consent of the Requisite Backstop Commitment Parties, if applicable, the Debtors may execute and enter into agreements and take further action that the Debtors determine in good faith are necessary and appropriate to effectuate and implement the Rights Offering and the issuance of the Rights Offering Shares. Nothing in this paragraph shall be construed so as to permit the Debtors to modify the terms of any executed and delivered Subscription Form without the reasonable consent of the Subscription Rights Holder or Commitment Parties subject thereto. The Debtors are not obligated to deliver any notice to the Subscription Rights Holder in connection with any reduction in the size of the Rights Offering, except with respect to the Commitment Parties.

The Debtors shall undertake reasonable procedures to confirm that each participant in the Rights Offering is in fact a Subscription Rights Holder, including, but not limited to, requiring additional certifications by such participant to that effect and other diligence measures as the Debtors deem reasonably necessary.

All calculations, including, to the extent applicable, the calculation of (i) the value of any Subscription Rights Holder's Existing Common Interests for the purposes of the Rights Offering and (ii) any Subscription Rights Holder's Rights Offering Shares, shall be made in good faith by the Debtors, and in each case in accordance with any Claim amounts included in the Plan, and any disputes regarding such calculations shall be subject to a final and binding determination by the Bankruptcy Court.

12. Inquiries And Transmittal of Documents; Subscription Agent

The risk of non-delivery of all documents and payments to the Subscription Agent is on the Subscription Rights Holder electing to exercise its Subscription Rights and not the Debtors or the Subscription Agent.

13. Failure to Exercise Subscription Rights

Subscription Rights and Oversubscription Rights that are not exercised in accordance with these Rights Offering Procedures by the Rights Offering Subscription Deadline will be relinquished on the Rights Offering Subscription Deadline, and none of the Debtors, the Reorganized Debtors or any of their respective employees, Affiliates, or professionals shall have any liability for any failure to exercise Subscription Rights or Oversubscription Rights. Any attempt to exercise Subscription Rights or Oversubscription Rights after the Rights Offering Subscription Deadline shall be null and void and the Debtors shall not be obligated to honor any

such purported exercise received by the Subscription Agent after the Rights Offering Subscription Deadline regardless of when the documents relating thereto were sent. RIGHTS OFFERING PROCEDURES

The New Common Interests to be issued and distributed by Core Scientific, Inc. to Holders of Existing Common Interests (“Eligible Equity Holders”)¹ pursuant to the Rights Offering referred to in these Rights Offering Procedures (the “Rights Offering”) are being distributed and issued without registration under the Securities Act in reliance upon the exemption from registration provided by section 1145 of the Bankruptcy Code (the “Rights Offering Shares”).

Unless otherwise agreed and subject to the terms of the Plan, each Eligible Equity Holder shall have the right, but not the obligation, to use subscription rights to subscribe for the purchase of Rights Offering Shares (the “Subscription Rights” and each holder thereof, a “Subscription Rights Holder”). In addition, each Subscription Rights Holder is being granted the right (an “Oversubscription Right”) to elect to purchase additional Rights Offering Shares in the event that less than the aggregate number of Rights Offering Shares offered in the Rights Offering is timely, duly and validly subscribed and paid for by Subscription Rights Holders (such unsubscribed Rights Offering Shares, the “Unsubscribed Shares” and such election an “Oversubscription Election”). The Unsubscribed Shares issued upon exercise any Oversubscription Rights will be issued without registration under the Securities Act in reliance upon the exemption from registration provided by section 1145 of the Bankruptcy Code.

All shares issued to the Commitment Parties, if any, on account of their Backstop Commitments will be issued without registration pursuant to Section 4(a)(2) or Regulation D of the Securities Act.

Only Subscription Rights Holders (including the Commitment Parties) that hold Existing Common Interests as of the Record Date are allowed to participate in the Rights Offering. No offer or invitation to subscribe or purchase is being made to any person who is not a Subscription Rights Holder, and no such person should or may act or rely on any offer or invitation to subscribe or purchase Rights Offering Shares or Unsubscribed Shares contained in this document.

None of the Subscription Rights, Oversubscription Rights or Rights Offering Shares issuable upon exercise of such rights distributed under the Plan and pursuant to these Rights Offering Procedures have been or will be registered under the Securities Act, nor any state or local law requiring registration for offer and sale of a security. Any Holder who subscribes for Rights Offering Shares or Unsubscribed Shares that is an “underwriter,” as that term is defined for purposes of section 1145 of the Bankruptcy Code, will be subject to restrictions on its ability to resell those securities. Resale restrictions are discussed in more detail in Article VII of the Disclosure Statement (as defined below), entitled “Transfer Restrictions and Consequences Under Federal Securities Law.”

Any Subscription Rights Holder that holds Existing Common Interests with its Subscription Nominee (as defined below) in DTC (as defined below), that desires to exercise its Subscription Rights or Oversubscription Rights, as applicable, must (i) direct its Subscription Nominee to tender its Existing Common Interests into the appropriate option on DTC’s ATOP platform prior to the ATOP Tender Deadline (as defined below) and (ii) complete and return (or coordinate with its Subscription Nominee to return) to the Subscription Agent (as defined below) a Subscription Form (with

¹ Eligible Equity Holders are Holders of Existing Common Interests as of the Rights Offering Record Date (*i.e.*, November 16, 2023).

accompanying IRS Form W-9 or appropriate IRS Form W-8, as applicable) and pay (or arrange for its Subscription Nominee to pay) the Aggregate Purchase Price (as defined below) and Oversubscription Funding Amount (as defined below) (together, the “Aggregate Subscription Amount”), if applicable, so that such payment is actually received by the Subscription Agent on or before the Rights Offering Subscription Deadline (as defined below).

Any Subscription Rights Holder that holds Existing Common Interests directly on the books and records of the Debtors, that desires to exercise its Subscription Rights or Oversubscription Rights, as applicable, must complete and return to the Subscription Agent the Subscription Form (with accompanying IRS Form W-9 or appropriate IRS Form W-8, as applicable) and pay the Aggregate Subscription Amount to the Subscription Agent, prior to the Rights Offering Subscription Deadline.

Any Subscription Rights Holder that holds Existing Common Interests with both its Subscription Nominee in DTC and directly on the books and records of the Debtors will receive multiple Subscription Forms, each of which must be completed and returned by such Subscription Rights Holder or by such Subscription Rights Holder’s Subscription Nominee, as applicable, to the Subscription Agent (with accompanying IRS Form W-9 or appropriate IRS Form W-8, as applicable) prior to the Rights Offering Subscription Deadline. With respect to the portion of such Subscription Rights Holder’s Existing Common Interests held with its Subscription Nominee in DTC, it must direct its Subscription Nominee to tender such Existing Common Interests into the appropriate option on DTC’s ATOP platform prior to the ATOP Tender Deadline.

No Subscription Rights or Oversubscription Rights may be sold, transferred, assigned, pledged, hypothecated, participated, donated or otherwise encumbered or disposed of, directly or indirectly (including through derivatives, options, swaps, forward sales or other transactions in which any person receives the right to own or acquire any current or future interest in the Subscription Rights, Oversubscription Rights, Rights Offering Shares or claims funded pursuant to the Backstop Commitment Letter and any related claims). In addition, after Subscription Rights or Oversubscription Rights are exercised with respect to any Existing Common Interests, such Existing Common Interests may not be sold, transferred, assigned, pledged, hypothecated, participated, donated or otherwise encumbered or disposed of, directly or indirectly, and any purported trading, assignment or transfer of such Existing Common Interests shall be deemed null and void; provided that with respect to the Commitment Parties, the transfer restrictions set forth in the Backstop Commitment Letter shall govern.

The Rights Offering is being conducted in good faith and in compliance with the Bankruptcy Code. In accordance with Section 1125(e) of the Bankruptcy Code, a debtor or any of its agents that participate, in good faith and in compliance with the applicable provisions of the Bankruptcy Code, in the offer, issuance, sale, or purchase of a security offered or sold under the plan of the debtor, of an affiliate participating in a joint plan with the debtor, or of a newly organized successor to the debtor under the plan, is not liable, on account of such participation, for the violation of any applicable law, rule, or regulation governing the offer, issuance, sale or purchase of securities.

All required documentation to participate in the Rights Offering must be completed and timely submitted along with arrangement of payment of the Aggregate Subscription Amount for the exercise of Subscription Rights and, as applicable, Oversubscription Rights, which must be actually and timely received by the Subscription Agent no later than the Rights Offering Subscription Deadline, in accordance with all terms and conditions set forth in these Rights Offering Procedures and the Subscription Form.

Notwithstanding the foregoing, the Commitment Parties must deliver their Backstop Commitment Deposit to the Escrow Account within three business days following entry of the Backstop Order, in accordance with the terms of the Backstop Commitment Letter. The Commitment Parties must deliver their Aggregate Subscription Amount by the date that is specified in the Fundi Notice pursuant to the Backstop Commitment Letter (the “Backstop Funding Deadline”).

All questions concerning the timeliness, validity, form, and eligibility of any exercise or purported exercise of Subscription Rights or Oversubscription Rights shall be determined in good faith by the Debtors. Any Rights Offering submissions that do not properly comply with the requirements set forth in the Rights Offering Procedures and the applicable Subscription Form(s) will be deemed not to have been received or accepted until all such defects and irregularities have been cured or waived in writing by the Debtors. Unless waived in writing, any defects or irregularities must be cured by the Rights Offering Subscription Deadline in order to participate in the Rights Offering. The Debtors may provide notice to a Subscription Rights Holder who elects to exercise its Subscription Rights or Oversubscription Rights of defects or irregularities in connection with such exercise; provided that neither the Debtors nor the Reorganized Debtors nor any of their respective employees, Affiliates, or professionals shall incur any liability for giving, or failing to give, such notification and such opportunity to cure. For the avoidance of doubt, the submission of an inaccurate, incomplete, untimely, or otherwise defective Subscription Form or the failure to remit timely and full payment of the Aggregate Purchase Price to the Subscription Agent may result in the irrevocable relinquishment and waiver of a Subscription Rights Holder’s purported right, if any, to participate in the Rights Offering.

Capitalized terms used and not defined herein shall have the meaning assigned to them in the Plan (as defined below), the Disclosure Statement (as defined below) or the Backstop Commitment Letter, as applicable.

Backstop Funding Deadline.....	~December 20, 2023 ²	Deadline for Commitment Parties to deliver their Aggregate Subscription Amount pursuant to the Backstop Commitment Letter.

² Three business days after receipt of Funding Notice.

To Subscription Rights Holders:

On November 15, 2023, the Debtors filed with the United States Bankruptcy Court for the Southern District of Texas (Houston Division) (the “**Bankruptcy Court**”) the *Third Amended Joint Chapter 11 Plan of Core Scientific, Inc. and its Debtor Affiliates* (as may be altered, amended, modified or supplemented from time to time in accordance with the terms thereof, the “**Plan**”), and the *Disclosure Statement for Third Amended Joint Chapter 11 Plan Core Scientific, Inc. and its Debtor Affiliates* (as such may be altered, amended, modified or supplemented from time to time in accordance with the terms thereof, the “**Disclosure Statement**”). Pursuant to the Plan, each Holder of Existing Common Interests as of the Rights Offering Record Date (*i.e.*, November 16, 2023) will receive Subscription Rights to the extent set forth in the Plan and may subscribe for its pro rata allocation of New Common Interests being offered in the Rights Offering (the “**Rights Offering Shares**”); provided that; (i) for Subscription Rights Holders that hold Existing Common Interests “in street name” through The Depository Trust Company (“**DTC**”), it timely tenders/blocks its position in the Automated Tender Offer Program (“**ATOP**”) procedures of DTC in advance of the ATOP Tender Deadline and (ii) for all Subscription Rights Holders, including those who hold Existing Common Interests through the books and records of the Debtors and those who hold Existing Common Interests “in street name” through DTC, it properly executes and delivers (or coordinates with its Subscription Nominee to deliver) its executed Subscription Form for the Rights Offering to the Subscription Agent and pays (or causes its Subscription Nominee to pay) the Aggregate Subscription Amount as set forth in the paragraph below on or before the Rights Offering Subscription Deadline or, for Commitment Parties, the Backstop Funding Deadline, as applicable.

In addition, each Subscription Rights Holder will also have an Oversubscription Right to elect to purchase Unsubscribed Shares in an amount not to exceed the total number of Rights Offering Shares offered in the Rights Offering minus the total number of Rights Offering Shares that such Subscription Rights Holder duly, validly and timely elected to purchase pursuant to its Subscription Rights (such amount being referred to herein as the Subscription Rights Holder’s “**Maximum Oversubscription Amount**”); provided, however, that no Subscription Rights Holder may exercise an Oversubscription Right until it has also duly, validly and timely exercised in full its Subscription Right.

If you are a Subscription Rights Holder and do not wish to exercise your Subscription Rights, no action is necessary.

The “Aggregate Purchase Price” for each Subscription Rights Holder exercising Subscription Rights means the product of \$8.21710 per Rights Offering Share (subject to the Plan Claim Adjustment as defined and described herein) and the number of Rights Offering Shares to be issued pursuant to such Subscription Rights Holder’s exercise of Subscription Rights.

The price per Rights Offering Share assumes that the holders of Existing Common Interests, after giving effect to the reorganization transactions described in the Plan and Disclosure Statement, as amended and supplemented, will hold 1/25th the number of issued

and outstanding shares of common stock of the reorganized Core Scientific, Inc. upon its emergence from bankruptcy of what they hold as of November 20, 2023 (such ratio is subject to change). The current share price of the Core Scientific, Inc.'s common stock listed on OTC US (CORZQ:US) as of November 20, 2023, does not reflect the reorganization transactions described in the Plan and Disclosure Statement, and is not expected to be indicative of reorganized Core Scientific, Inc.'s post-emergence share price. The Plan and Disclosure Statement are available at the Debtors' restructuring website at <https://cases.stretto.com/corescientific/>.

No Subscription Rights Holder shall be entitled to participate in the Rights Offering unless the Aggregate Subscription Amount for the Rights Offering Shares it subscribes for, and, if applicable, for the Unsubscribed Shares it subscribes for, is received by the Subscription Agent (i) in the case of a Subscription Rights Holder that is not a Commitment Party, by the Rights Offering Subscription Deadline and (ii) in the case of the Commitment Parties, by the Backstop Funding Deadline. No interest is payable on any funding of the Aggregate Subscription Amount, except with respect to Commitment Parties in accordance with the terms of the Backstop Commitment Letter. If the Rights Offering is terminated for any reason, your Aggregate Subscription Amount will be returned to you promptly, and no interest will be paid on any returned Aggregate Subscription Amount; provided that, any Aggregate Subscription Amount returned to a Commitment Party will be returned with interest in accordance with the terms of the Backstop Commitment Letter.

As part of the exercise process, following the exercise of Subscription Rights, the Existing Common Interests that are held by Street Name Holders through DTC will be frozen from trading, as described below. All Street Name Holders must cause their Subscription Nominee to process and deliver the underlying Existing Common Interests through ATOP and complete and submit all the information required in connection with such delivery. **By giving the instruction to its Subscription Nominee to submit the underlying Existing Common Interests through ATOP, each Street Name Holder is (i) authorizing its Subscription Nominee to exercise all Subscription Rights associated with the amount of Existing Common Interests as to which the instruction pertains; and (ii) certifying that it understands that, once submitted, the underlying Existing Common Interests will be frozen from trading until the Effective Date, at which point such Street Name Holder will receive the relevant Rights Offering Shares and the underlying Existing Common Interests will be cancelled pursuant to the Plan.**

The amount of time necessary for a Subscription Nominee to process and deliver the applicable Existing Common Interests through ATOP may vary. Street Name Holders of Existing Common Interests are urged to consult with their Subscription Nominees to ensure the timely submission. Failure to complete the steps set forth in these Rights Offering Procedures by the applicable deadline will result in such Subscription Rights Holder being deemed to have forever and irrevocably relinquished and waived its Subscription Rights and Oversubscription Rights. None of the Debtors, the Subscription Agent, or the Commitment Parties (except for only such Commitment Party's own failure), will have any liability for any such failure.

The rights and obligations of the Commitment Parties in the Rights Offering shall be governed by the Backstop Commitment Letter, including to the extent the rights or obligations set forth therein differ from the rights and obligations set forth in these Rights Offering Procedures.

In order to participate in the Rights Offering, you must complete all of the steps outlined below. If all of the steps outlined below are not completed by the applicable deadline, you shall be deemed to have forever and irrevocably relinquished and waived your right to participate in the Rights Offering.

1. Rights Offering

All Subscription Rights Holders have the right, but not the obligation, to participate in the Rights Offering.

- All Subscription Rights Holders: Only Subscription Rights Holders who timely and properly submit (or cause their Subscription Nominee to submit) all documentation and required payments to the Subscription Agent in accordance with the procedures set forth herein will be eligible to participate in the Rights Offering and receive Rights Offering Shares.
- Street Name Holders must also cause their Subscription Nominee to tender their Existing Common Interests into ATOP before the ATOP Tender Deadline.

Subject to the terms and conditions set forth in the Plan, these Rights Offering Procedures and the Subscription Form, each Subscription Rights Holder shall be distributed its *pro rata* (as defined in the Plan) share of Subscription Rights and is entitled to subscribe, at a purchase price of \$8.21710 per whole share, for 0.01734 Rights Offering Shares per Existing Common Interest held by such Subscription Rights Holder (the “**Rights Factor**”); (subject to the Plan Claim Adjustment (as defined below)); notwithstanding the foregoing, the price per Rights Offering Share will decrease to the extent that (i) any holder of Miner Equipment Lender Claims elect the “Miner Equipment Lender Treatment Election 2” under the Plan and thereby waive its recovery on account of Miner Equipment Lender Deficiency Claim as a General Unsecured Claim and/or (ii) prior to emergence, any unsecured claims in Class 8 or Class 11 become disallowed or allowed in an amount less than the estimated maximum amount of such unsecured claim. As a result of the foregoing, there will be a corresponding increase in the number of Rights Offering Shares each participating Subscription Rights Holder will be issued in the Rights Offering in exchange for payment of their Aggregate Purchase Price (the “**Plan Claim Adjustment**”), as illustrated below. The minimum price per Rights Offering Share that could result from the Plan Claim Adjustment would be \$5.91665 per Rights Offering Share.

For illustrative purposes only, in the event a Subscription Rights Holder holds 1,000,000 Existing Common Interests, assuming no Plan Claim Adjustment, such Subscription Rights Holder could subscribe for 17,340 Rights Offering Shares by paying an Aggregate Purchase Price of

\$142,485, representing a price per Rights Offering Share of \$8.21710 and reflecting the Rights Factor.

However, as a result of the maximum possible Plan Claim Adjustment, in the event that a Subscription Rights Holder held 1,000,000 Existing Common Interests, and such Subscription Rights Holder fully subscribed to its Subscription Rights and paid an Aggregate Purchase Price of \$142,485, then such Subscription Rights Holder would receive 24,082 Rights Offering Shares, representing a price per Rights Offering Share of \$5.91665.

In addition, the Subscription Form provides that each Subscription Rights Holder will also have an Oversubscription Right to elect to purchase Unsubscribed Shares at a purchase price of \$8.21710 per share (subject to adjustment pursuant to the Plan Claim Adjustment), for aggregate cash consideration (such Subscription Rights Holder's "***Oversubscription Funding Amount***") not to exceed such Subscription Rights Holder's Maximum Oversubscription Amount; provided, however that no Subscription Rights Holder may exercise an Oversubscription Right unless it has also duly, validly and timely exercised in full its Subscription Rights.

In the event that the aggregate Rights Offering Shares issuable pursuant to the exercise of Oversubscription Rights exceeds the number of Unsubscribed Shares, Subscription Rights Holders who have made Oversubscription Elections will receive their *pro rata* share (measured as the proportion that the Unsubscribed Shares elected to be purchased by such Subscription Rights Holder bears to the aggregate amount of Unsubscribed Shares elected to be purchased by all Subscription Rights Holders) of the Unsubscribed Shares. The difference between the Oversubscription Funding Amount actually paid by such exercising Subscription Rights Holder and the Oversubscription Funding Amount that such Subscription Rights Holder is required to pay after giving effect to the proration, if any, shall be refunded no later than five (5) Business Days after the Rights Offering Subscription Deadline, or as soon as practicable thereafter.

Street Name Holders will be deemed to have exercised the Subscription Rights related to all Existing Common Interests tendered/blocked through the ATOP procedures of the DTC at the subscription rates set forth above. The Aggregate Purchase Price will be calculated based on the full subscription entitlement as set forth above.

To the extent the amount subscribed for through the Rights Offering (including pursuant to the Subscription Rights and Oversubscription Rights) is less than the Backstop Commitment Amount, the Commitment Parties will purchase any unsubscribed Rights Offering Shares up to the Backstop Commitment Amount, as set forth in the Backstop Commitment Letter.

Any Subscription Rights Holder who subscribes for Rights Offering Shares that is an "underwriter" as that term is defined for purposes of section 1145 of the Bankruptcy Code will also be subject to restrictions on its ability to resell those securities. Resale restrictions are discussed in more detail in Article VII of the Disclosure Statement, entitled "Transfer Restrictions and Consequences Under Federal Securities Law."

SUBJECT TO THE TERMS AND CONDITIONS OF THE RIGHTS OFFERING PROCEDURES AND THE BACKSTOP COMMITMENT LETTER IN THE CASE OF THE COMMITMENT PARTIES, AS APPLICABLE, ALL SUBSCRIPTIONS ARE IRREVOCABLE.

2. Subscription Period

The Rights Offering will commence on the Subscription Commencement Date and will expire at the Rights Offering Subscription Deadline (the “**Subscription Period**”).

Each Subscription Rights Holder intending to purchase Rights Offering Shares in the Rights Offering must affirmatively elect to exercise its Subscription Rights and Oversubscription Rights in the manner set forth in these Rights Offering Procedures by the Rights Offering Subscription Deadline.

Any exercise of Subscription Rights or Oversubscription Rights after the Rights Offering Subscription Deadline will not be allowed and any purported exercise received by the Subscription Agent after the Rights Offering Subscription Deadline, regardless of when the documents or payment relating to such exercise were sent, will not be honored.

The Rights Offering Subscription Deadline may be extended by the Debtors, in consultation with the Requisite Commitment Parties or as required by law.

3. Distribution of the Rights Offering Materials

On the Subscription Commencement Date, the Subscription Agent shall distribute, or cause to be distributed, the Rights Offering Procedures and the Subscription Form (collectively, the “**Rights Offering Materials**”), to all Holders of Existing Common Interests in the ordinary course of distribution, including, through DTC for Street Name Holders, and to each bank, broker, or other nominee (each, a “**Subscription Nominee**”) for any applicable Holder of Existing Common Interests identified to the Subscription Agent in advance of the Subscription Commencement Date. Street Name Holders must instruct their Subscription Nominee, as applicable, to tender/block their positions in DTC or the relevant depository. The Subscription Agent shall use such information only for purposes consistent with the Rights Offering Procedures and any order of the Bankruptcy Court.

Copies of the Rights Offering Materials may also be obtained by contacting the Subscription Agent or visiting the Debtors’ restructuring website at <https://cases.stretto.com/corescientific/>.

4. DTC

Certain of the Existing Common Interests are held in book-entry form in accordance with the practices and procedures of DTC. The Debtors intend to comply with the practices and procedures of DTC for the purpose of conducting the Rights Offering with respect to the Existing Common Interests held “in street name” through DTC.

With respect to the Rights Offering Shares issued to Street Name Holders, without limiting the foregoing, the Debtors intend that, to the extent practicable and consistent with law, such Rights Offering Shares will be issued in book entry form, and that DTC, or its nominee, will be the holder of record of such Rights Offering Shares. The ownership interest of each Street Name Holder of such Rights Offering Shares, and transfers of ownership interests therein, are expected to be recorded on the records of the direct and indirect participants in DTC. It is expected that all Rights Offering Shares exercised through DTC will be allocated to exercising holders through DTC on or as soon as practicable after the Effective Date.

5. Delivery of Subscription Form

Subject to the terms and conditions set forth in the Plan, these Rights Offering Procedures and the Subscription Form, each Subscription Rights Holder may exercise all or any portion of such holder's Subscription Rights and, if it has fully exercised its Subscription Rights, its Oversubscription Rights.

In order to facilitate the exercise of the Subscription Rights and Oversubscription Rights, beginning on the Subscription Commencement Date, the Subscription Agent will send a Subscription Form to each Holder of Existing Common Interests, together with appropriate instructions for the proper completion, due execution, and timely delivery of the executed Subscription Form, and the payment of the Aggregate Subscription Amount for its Rights Offering Shares. Street Name Holders must also instruct their Subscription Nominee to tender/block their positions through the ATOP procedures of the DTC by the ATOP Tender Deadline.

All Subscription Rights Holders **must** return (or cause their Subscription Nominee to return) a duly executed Subscription Form, including any supporting documentation required therewith, to the Subscription Agent by the Rights Offering Subscription Deadline in order to exercise such Subscription Rights Holder's Subscription Rights and Oversubscription Rights, as applicable.

6. Exercise of Subscription Rights and Oversubscription Rights

(a) In order to validly exercise its Subscription Rights, each Subscription Rights Holder must:

- (i) if the Subscription Rights Holder is not a Commitment Party and is a Street Name Holder, (1) no later than the ATOP Tender Deadline, direct its Subscription Nominee to tender/block its position(s) of Existing Common Interests through the ATOP procedures of DTC in an amount equal to the amount such holder wishes to exercise Subscription Rights, (2) return (or cause its Subscription Nominee to return) a duly executed Subscription Form to the Subscription Agent so that such documents are actually received by the Subscription Agent by the Rights Offering Subscription Deadline, and (3) no later than the Rights Offering Subscription Deadline, pay (or cause its Subscription Nominee to pay) the Aggregate Purchase Price to the Subscription Agent by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein;

- (ii) if the Subscription Rights Holder is not a Commitment Party and holds Existing Common Interests directly on the books and records of the Debtors, (1) return a duly executed Subscription Form to the Subscription Agent so that such documents are actually received by the Subscription Agent by the Rights Offering Subscription Deadline and (2) no later than the Rights Offering Subscription Deadline, pay the Aggregate Purchase Price to the Subscription Agent by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein;
 - (iii) if the Subscription Rights Holder is a Commitment Party and is a Street Name Holder, (1) no later than the ATOP Tender Deadline, direct its Subscription Nominee to tender/block its position(s) of Existing Common Interests through the ATOP procedures of DTC in an amount equal to the amount such holder wishes to exercise Subscription Rights, (2) return (or cause its Subscription Nominee to return) a duly executed Subscription Form to the Subscription Agent so that such documents are actually received by the Subscription Agent by the Rights Offering Subscription Deadline and (3) no later than the Backstop Funding Deadline, pay the Aggregate Purchase Price (or cause its Subscription Nominee to pay) (in accordance with the terms and conditions and in the form and manner set forth in the Backstop Commitment Letter) by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein, subject to the terms and conditions of the Backstop Commitment Letter; and
 - (iv) if the Subscription Rights Holder is a Commitment Party and holds Existing Common Interests directly on the books and records of the Debtors, (1) return a duly executed Subscription Form to the Subscription Agent so that such documents are actually received by the Subscription Agent by the Rights Offering Subscription Deadline and (2) no later than the Backstop Funding Deadline, pay the Aggregate Purchase Price (in accordance with the terms and conditions and in the form and manner set forth in the Backstop Commitment Letter) by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein, subject to the terms and conditions of the Backstop Commitment Letter.
- (b) In order to validly exercise its Oversubscription Rights, each Subscription Rights Holder or its Subscription Nominee (if applicable) must (in addition to having validly and timely exercised its Subscription Rights in full and having taken the actions required under 6 above):
- (i) indicate in its Subscription Form its Oversubscription Election, including the number of Unsubscribed Shares for which it is exercising such election; and
 - (ii) promptly upon returning its Subscription Form to the Subscription Agent, but in no event later than the Rights Offering Subscription Deadline, pay or have paid the applicable Oversubscription Funding Amount by wire transfer **ONLY** of immediately available funds in accordance with the instructions set forth herein;

provided that if such Subscription Rights Holder exercising its Oversubscription Rights is a Commitment Party it shall pay or have paid the applicable Oversubscription Funding Amount in the manner set forth in the foregoing clause no later than the Backstop Funding Deadline.

In the event that the funds received by the Subscription Agent from any Subscription Rights Holder do not correspond to the Aggregate Subscription Amount, payable for the Rights Offering Shares, including any Unsubscribed Shares, elected to be purchased by such Subscription Rights Holder, the number of Rights Offering Shares deemed to be purchased by such Subscription Rights Holder will be the lesser of (a) the number of shares of the Rights Offering Shares elected to be purchased by such Subscription Rights Holder and (b) a number of shares of the Rights Offering Shares determined by dividing the amount of the funds received by the applicable Aggregate Subscription Amount.

The cash paid to the Subscription Agent on account of the Aggregate Subscription Amount in accordance with these Rights Offering Procedures (other than any cash paid by the Commitment Parties) will be deposited and held by the Subscription Agent in a segregated account satisfactory to the Debtors until administered in connection with the settlement of the Rights Offering on the Effective Date or promptly thereafter pursuant to the Plan. The Subscription Agent may not use such cash for any other purpose prior to the Effective Date and may not encumber or permit such cash to be encumbered with any lien or similar encumbrance. Notwithstanding the foregoing, subject to the terms and conditions of the Backstop Commitment Letter, the cash paid by the Commitment Parties pursuant to these Rights Offering Procedures and/or the Backstop Commitment Letter, as applicable, will be deposited and held by the Debtors in the Escrow Account until released or otherwise refunded in accordance with the Backstop Commitment Letter. The cash held by the Subscription Agent for the Aggregate Subscription Amount received from all Subscription Rights Holders in connection with the Rights Offering shall not be deemed part of the Debtors' bankruptcy estates and, for the avoidance of doubt, will be non-interest bearing. The cash held by the Subscription Agent in the Escrow Account for the aggregate Backstop Commitment Deposit shall not be deemed part of the Debtors' bankruptcy estates and will be held in a separate interest-bearing escrow account in accordance with the Backstop Commitment Letter.

Each Subscription Rights Holder that participates in the Rights Offering is deemed to have made the following representations and acknowledgments:

- (i) Each Subscription Rights Holder recognizes and understands that the Subscription Rights and Oversubscription Rights are not transferrable and that the benefits of the Subscription Rights and Oversubscription Rights are not separable from the claim or securities with respect to which the Subscription Rights and Oversubscription Rights have been granted;
- (ii) Each Subscription Rights Holder represents and warrants that it will not accept a distribution of Rights Offering Shares if at such time it does not hold all of the Existing Common Interests associated with its Subscription Rights and, by accepting a distribution of Rights Offering Shares, such Subscription Rights Holder will be deemed to be the owner thereof; and

- (iii) Each Subscription Rights Holder represents and warrants that it held the Existing Common Interests associated with its Subscription Rights as of the Rights Offering Record Date.

7. Transfer Restriction; Revocation

The Subscription Rights and Oversubscription Rights are non-transferable and are not detachable from the applicable Existing Common Interests. If any Subscription Rights or Oversubscription Rights are transferred by a Subscription Rights Holder, such Subscription Rights will be cancelled automatically and neither such Subscription Rights Holder nor the purported transferee will receive any Rights Offering Shares otherwise purchasable on account of such transferred Subscription Rights or Oversubscription Rights.

Once a Subscription Rights Holder has properly exercised its Subscription Rights or Oversubscription Rights, as applicable, subject to the terms and conditions of the Subscription Form, and the Backstop Commitment Letter in the case of the Commitment Parties, such exercise will be irrevocable.

8. Return of Payment; Rights Offering Conditioned on Effectiveness of the Plan

Unless the Effective Date has occurred, the Rights Offering will be deemed automatically terminated without any action of any party upon revocation of the Plan.

If the Rights Offering is terminated or otherwise not consummated, any cash paid to the Subscription Agent will be promptly returned, without interest, to the applicable Subscription Rights Holder as soon as reasonably practicable, but in no event later than the later of the date that is five Business Days after the date on which the Rights Offering is terminated or the date the Subscription Agent receives the applicable refund information; provided that any cash paid to the Subscription Agent by the Commitment Parties, including on account of any Backstop Commitment Deposit and/or Aggregate Subscription Amount, will be promptly returned, with interest, to the applicable Commitment Party as soon as practicable, in accordance with the terms and conditions of the Backstop Commitment Letter.

All exercises of Subscription Rights and Oversubscription Rights are subject to and conditioned upon the effectiveness of the Plan. The Debtors will accept an exercise of the Subscription Rights and Oversubscription Rights only upon the confirmation and effectiveness of the Plan. Notwithstanding anything contained herein, in the Disclosure Statement or in the Plan to the contrary, the Debtors reserve the right, subject to the terms of the Backstop Commitment Letter, to modify these Rights Offering Procedures or adopt additional detailed procedures if necessary in the Debtors' business judgment to more efficiently administer the distribution and exercise of the Subscription Rights and Oversubscription Rights or comply with applicable law.

In the event that the aggregate Rights Offering Shares issuable pursuant to the exercise of Oversubscription Rights exceeds the number of Unsubscribed Shares, Subscription Rights Holders who have made Oversubscription Elections will receive their *pro rata* share (measured as the proportion that the Unsubscribed Shares elected to be purchased by such Subscription Rights

Holder bears to the aggregate amount of Unsubscribed Shares elected to be purchased by all Subscription Rights Holders) of the Unsubscribed Shares. The difference between the Oversubscription Funding Amount actually paid by such exercising Subscription Rights Holder and the Oversubscription Funding Amount that such Subscription Rights Holder is required to pay after giving effect to the proration, if any, shall be refunded no later than five Business Days after the Rights Offering Subscription Deadline, or as soon as practicable thereafter.

9. Fractional Shares

No fractional Subscription Rights, Oversubscription Rights or fractional Rights Offering Shares will be issued in the Rights Offering. All allocations for Rights Offering Shares will be calculated and rounded down to the nearest whole share.

10. Validity of Exercise of Subscription Rights

All questions concerning the timeliness, viability, form, and eligibility of any exercise of Subscription Rights or Oversubscription Rights will be determined in good faith by the Debtors, and, if necessary, subject to a final and binding determination by the Bankruptcy Court. The Debtors will not be deemed to have received nor otherwise accepted any exercise or subscription that is incomplete, inaccurate, untimely, or otherwise fails to conform to the requirements set forth in these Rights Offering Procedures. The Debtors may provide notification to a Subscription Rights Holder who elects to exercise its Subscription Rights or Oversubscription Rights, as applicable, of such defects or irregularities and permit such defects or irregularities to be waived, provided such waiver is executed in writing, or otherwise timely cured. Each such irregularity or defect, if reviewed, will be done so on an individual submission basis. For the avoidance of doubt, Subscription Forms will be deemed not to have been received or accepted until all defects or irregularities have been waived in writing or timely cured. None of the Debtors, the Reorganized Debtors, nor any of their respective employees, Affiliates, or professionals, shall incur any liability for giving, or failing to give, such notification or opportunity to cure.

Before exercising any Subscription Rights or Oversubscription Rights, Subscription Rights Holders should read the Disclosure Statement and the Plan, each as amended or supplemented, and all additional disclosures of financial information, including additional quarterly reports for quarters ending subsequent to the date of the Disclosure Statement filed with the Bankruptcy Court and made available at the Debtors' restructuring website at <https://cases.stretto.com/corescientific/> for information relating to the Debtors and the risk factors to be considered.

11. Modification of Procedures

The Debtors reserve the right to modify these Rights Offering Procedures, or adopt additional procedures consistent with these Rights Offering Procedures, to effectuate the Rights Offering and to issue the Rights Offering Shares; provided that the Debtors shall provide prompt written notice to each Subscription Rights Holder (which may be through such Subscription Rights Holder's Subscription Nominee) of any material modification to these Rights Offering Procedures made after the Subscription Commencement Date, which notice may be provided through posting

such notice on the Subscription Agent's website at <https://cases.stretto.com/corescientific/>; provided, however, that any material amendments or modifications to the terms of the Rights Offering require the consent of the Requisite Commitment Parties pursuant to the Backstop Commitment Letter and the Equity Committee pursuant to the RSA. In so doing, and subject to the prior consent of the Requisite Backstop Commitment Parties, if applicable, the Debtors may execute and enter into agreements and take further action that the Debtors determine in good faith are necessary and appropriate to effectuate and implement the Rights Offering and the issuance of the Rights Offering Shares. Nothing in this paragraph shall be construed so as to permit the Debtors to modify the terms of any executed and delivered Subscription Form without the reasonable consent of the Subscription Rights Holder or Commitment Parties subject thereto. The Debtors are not obligated to deliver any notice to the Subscription Rights Holder in connection with any reduction in the size of the Rights Offering, except with respect to the Commitment Parties.

The Debtors shall undertake reasonable procedures to confirm that each participant in the Rights Offering is in fact a Subscription Rights Holder, including, but not limited to, requiring additional certifications by such participant to that effect and other diligence measures as the Debtors deem reasonably necessary.

All calculations, including, to the extent applicable, the calculation of (i) the value of any Subscription Rights Holder's Existing Common Interests for the purposes of the Rights Offering and (ii) any Subscription Rights Holder's Rights Offering Shares, shall be made in good faith by the Debtors, and in each case in accordance with any Claim amounts included in the Plan, and any disputes regarding such calculations shall be subject to a final and binding determination by the Bankruptcy Court.

12. Inquiries And Transmittal of Documents; Subscription Agent

The Rights Offering Instructions attached hereto should be read carefully and strictly followed by the Subscription Rights Holders. Questions relating to the Rights Offering should be directed to the Subscription Agent toll free at the following telephone numbers: (888) 317-1417). (domestic toll-free) or (929) 399-0959 (international) or via e-mail at csrightsoffer@stretto.com (please reference "Core Rights Offering" in the subject line).

The risk of non-delivery of all documents and payments to the Subscription Agent is on the Subscription Rights Holder electing to exercise its Subscription Rights and not the Debtors or the Subscription Agent.

13. Failure to Exercise Subscription Rights

Subscription Rights and Oversubscription Rights that are not exercised in accordance with these Rights Offering Procedures by the Rights Offering Subscription Deadline will be relinquished on the Rights Offering Subscription Deadline, and none of the Debtors, the Reorganized Debtors or any of their respective employees, Affiliates, or professionals shall have any liability for any failure to exercise Subscription Rights or Oversubscription Rights. Any attempt to exercise Subscription Rights or Oversubscription Rights after the Rights Offering Subscription Deadline shall be null and void and the Debtors shall not be obligated to honor any

such purported exercise received by the Subscription Agent after the Rights Offering Subscription Deadline regardless of when the documents relating thereto were sent. The Subscription Form(s) may only be submitted via the E-Subscription Portal. No other methods will be accepted. To access the E-Subscription Form Portal, visit <https://cases.stretto.com/corescientific/> click on the “Submit Rights Offering Form” section of the website and follow the instructions to submit your form. In all cases, you should allow sufficient time to ensure timely delivery by the Rights Offering Subscription Deadline.

QUESTIONS AND ANSWERS ABOUT THE CORE SCIENTIFIC RIGHTS OFFERING

The following questions and answers are a summary of the Rights Offering Procedures and related documents, which govern the terms of the Rights Offering. The terms of the Rights Offering are set forth in a document entitled “Core Scientific, Inc. Rights Offering Procedures.” That document is the definitive statement of the terms and conditions of the Rights Offering. These FAQs were prepared by Core Scientific, Inc. (“**Core**” or the “**Company**”) and are intended to assist you in understanding the Rights Offering Procedures, but if there is any inconsistency between the Rights Offering Procedures and the FAQs, the Rights Offering Procedures will govern. Core does not make any recommendation as to whether you should participate in the Rights Offering.

The Disclosure Statement has previously been distributed in connection with Core’s solicitation of votes to accept or reject the Core Scientific Bankruptcy Plan and that document sets forth important information, including risk factors that should be carefully read and considered by each Eligible Holder (defined below) prior to making a decision to participate in the Rights Offering. Copies of the Disclosure Statement and Core Scientific Bankruptcy Plan are also available at the Company’s restructuring website at <https://cases.stretto.com/corescientific/>.

Q: What is the Rights Offering?

A: Under the Core Scientific Bankruptcy Plan, Core is conducting a Rights Offering to all of its holders of outstanding common stock (and other equity interests, including restricted stock and vested restricted stock units) (“**Existing Common Interests**”). In the Rights Offering, the holders of Existing Common Interests will have the right to subscribe for 0.01734 shares of common stock of Core following its emergence from bankruptcy, constituting ~8.1% of the shares of common stock that will be then outstanding (the “**Rights Offering Shares**”), for an aggregate purchase price of up to \$55 million.¹

Q: Who is eligible to participate in the Rights Offering?

A: All holders of Core’s Existing Common Interests as of November 16, 2023 (which is the record date for the Rights Offering) are eligible to participate in the Rights Offering (each, an “**Eligible Holder**”). If you purchase or receive Existing Common Interests after November 16, 2023, you are not eligible to participate in the Rights Offering with respect to such Existing Common Interests purchased or received after record date.

Q: What is the timing of the Rights Offering?

A: The subscription period for the Rights Offering will commence on **November 20, 2023** and expire at 5:00 pm New York City time on **December 11, 2023**.

Q: What is being offered pursuant to the Rights Offering?

A: Each Eligible Holder is receiving a subscription right (each, a “**Subscription Right**”) for each Existing Common Interest it holds to subscribe for 0.01734 Rights Offering Shares at \$8.21710 per whole Rights Offering Share (“**Subscription Price**”).¹

In addition, each Eligible Holder will also have an oversubscription right to elect to purchase any Rights Offering Shares that are not subscribed for in the Rights Offering at the Subscription Price (an “**Oversubscription Right**”).

¹The number of Rights Offering Shares you purchase may increase depending on (i) treatment elections by Core Scientific’s miner equipment lenders (“Equipment Lender Elections”) and (ii) the extent to which the estimated maximum amount of disputed claims become allowed in Class 8 (General Unsecured Claims) and Class 11 (Section 510 Claims) in the Chapter 11 cases. However, the total dollar investment amount will not change. Core’s assumptions regarding Equipment Lender Elections and Core’s estimated maximum amount of disputed claims are subject to change.

The Subscription Form includes a procedure for calculating the aggregate purchase price that you are required to pay, based on the number of Rights Offering Shares for which you are electing to exercise your Subscription Rights and/or Oversubscription Rights.

Q: What are the key terms of the Rights Offering?

A:

- 30% discount to Plan Equity Value of \$766 million implied by a \$1.5 billion Plan Total Enterprise Value;
- 0.01734 Rights Offering Shares available for each current Existing Common Interest you own; and
- \$8.21710 subscription price to purchase one whole Rights Offering Share.²

Q: Why is the Subscription Right price higher than the current trading price of Core's common stock on the OTC?

A. The purchase price per Rights Offering Share assumes that current holders Existing Common Interests, after giving effect to the reorganization transactions described in the Core Scientific Bankruptcy Plan and related Disclosure Statement, will hold 1/25th the number of issued and outstanding shares of common stock of the reorganized Core upon emergence from bankruptcy of what they hold as of November 20, 2023 (such ratio is subject to change). The current share price of the Core's common stock listed on OTC US (CORZQ:US) as of November 20, 2023, does not reflect the reorganization transactions described in the Core Scientific Bankruptcy Plan and related Disclosure Statement, and is not expected to be indicative of reorganized Core's post-emergence share price. The Disclosure Statement and the Plan, each as amended or supplemented, is available at the Debtors' restructuring website at <https://cases.stretto.com/corescientific/> for important additional information relating to Core, the Rights Offering and the risk factors to be considered.

Q: May I sell or otherwise transfer my Subscription Rights if I do not want to participate in the Rights Offering?

A: No. Subscription Rights or Oversubscription Rights may not be sold, transferred, assigned, pledged, hypothecated, participated, donated or otherwise encumbered or disposed of, directly or indirectly.

Q: What documentation must I submit in order to exercise my Subscription Rights and when must it be submitted?

A: In order to exercise your Subscription Rights, you must execute and submit via the online portal linked below the following documents:

- a Subscription Form; and
- an IRS form W-9 if you are a U.S. person or an appropriate IRS Form W-8 (for non-U.S. persons). These forms may be obtained from the IRS at its website: www.irs.gov.

The required subscription documentation must be delivered to, and received by Stretto, LLC (the "Subscription Agent") no later than 5:00 pm New York City time on December 11, 2023 (the end of the

subscription period).

To access the E-Subscription Form Portal to complete and submit your forms, visit <https://cases.stretto.com/corescientific/> click on the “Submit Rights Offering Form” section of the website and follow the instructions to submit your forms. Once you submit your forms, you will receive an e-mail confirmation with a copy of the form.

If you hold your Existing Common Interests through a bank, broker, or other financial institution that holds such interests in “street name” (your “**Subscription Nominee**”), you may have an earlier deadline to submit the necessary documentation required by your bank, broker or other nominee in order to exercise your Subscription Rights. You should contact your Subscription Nominee to confirm their procedural and timing requirements to participate.

Q: Do I have to exercise my Subscription Rights in full?

A: No. Each Eligible Holder may exercise all or any portion of such holder’s Subscription Rights and, if it has fully exercised its Subscription Rights, its Oversubscription Rights.

Q: When will the Rights Offering Shares be issued?

A: The Rights Offering Shares will be issued at the time the Core Scientific Bankruptcy Plan is consummated, which is expected to occur in early January 2023.

Q: How will I receive my Rights Offering Shares that I purchase in the Rights Offering?

A: If you hold your Existing Common Interests through a bank, broker, or other financial institution that holds such interests in “street name” with your Subscription Nominee, the Rights Offering Shares will be issued in “street name” through The Depository Trust Company. The Rights Offering Shares you purchase must be held for your benefit by a Subscription Nominee that is a participant in DTC. You are urged to consult with your Subscription Nominees to ensure the timely submission.

If you hold Existing Common Interests on the books and records of Core, your Rights Offering Shares will be issued to you directly as a holder of record on the books and records of Core, which is administered by Computershare, Core’s transfer agent. You will not receive a stock certificate for those Rights Offering Shares.

Q: How will I receive the Unsubscribed Shares that I purchase in the Rights Offering?

A: All Eligible Holders who purchased Unsubscribed Shares pursuant to the exercise of Oversubscription Rights will receive their Unsubscribed Shares portion on the books and records of Core. Your Unsubscribed Shares will be issued to you directly as a holder of record on the books and records of Core, which is administered by Computershare, Core’s transfer agent. You will not receive a stock certificate for those Rights Offering Shares.

Q: How and when do I pay for the purchase price of the Rights Offering Shares for which I am subscribing in the Rights Offering?

A: You must pay, or have paid, the total purchase price for your Rights Offering Shares by wire transfer to an account of the Subscription Agent in accordance with the instructions set out in the Subscription Form. The Subscription Form includes a procedure for calculating the total purchase price for your Rights Offering Shares. The E-Subscription Form Portal where you complete and submit your forms

(<https://cases.stretto.com/corescientific>), also includes an excel workbook to assist you in calculating your total purchase price. Participants in the Rights Offering must assure that their payments are received no later than **5:00 pm New York City time on December 11, 2023**. The manner and deadline for Commitment Parties to pay the purchase price for their Rights Offering Shares is set forth in the Rights Offering Procedures and Backstop Commitment Letter.

If you hold your Existing Common Interests through a Subscription Nominee, you are urged to consult with your Subscription Nominees to ensure the timely submission. In many cases, you will be required to have sufficient funds in your brokerage account to pay for the purchase price of the Rights Offering Shares.

Q: Are holders of Existing Common Interests that hold their Existing Common Interests with a Subscription Nominee required to tender their Existing Common Interests in order to participate in the Rights Offering?

A: Yes. If you exercise your Subscription Rights and your Existing Common Interests are held through DTC by your Subscription Nominee, you must direct your Subscription Nominee to tender your Existing Common Interests through DTC's Automated Tender Offer Program ("ATOP") into the appropriate option on DTC's ATOP platform by **5:00 pm New York City time on December 11, 2023**.

By instructing your Subscription Nominee to tender your Existing Common Interests through ATOP, you are authorizing your Subscription Nominee to exercise your Subscription Rights associated with the amount of Existing Common Interests that are tendered. Once tendered, your Existing Common Interests will be frozen from trading until the effective date of the Core Scientific Bankruptcy Plan, at which point you will receive your Rights Offering Shares.

Q: If I exercise my Subscription Rights in the Rights Offering, may I withdraw the exercise?

A: No. Once you exercise your Subscription Rights in the Rights Offering, your exercise will be irrevocable, unless the Rights Offering does not close.

Q: What will happen if I do not participate in the Rights Offering?

A: Each holder of Existing Common Interests is under no obligation to exercise its Subscription Rights. If a holder does not exercise its Subscription Rights, or if it attempts to exercise its Subscription Rights but fails to comply with the procedures so that its exercise is invalidated, it will still be eligible to receive the consideration payable to holders of Existing Common Interests under the Core Scientific Bankruptcy Plan.

Q: Will I be told if I do not properly comply with the procedures for participants in the Rights Offering?

A: Neither Core nor the Subscription Agent will be under any obligation to inform a holder of Existing Common Interests that it has not properly complied with the procedures. If a participant has not complied with the procedures, it will not be allowed to purchase Rights Offering Shares, unless Core, in its sole discretion, determines to waive compliance in a particular case. Core is not required to grant any waivers, and may do so to a particular participant without granting similar waivers to other participants.

Q: May I subscribe for more than my pro rata share of the Rights Offering Shares?

A: Yes. There will be Oversubscription Rights in the Rights Offering. You will be granted an Oversubscription Right, which is the right to purchase additional Rights Offering Shares in the event that the

Rights Offering is not fully-subscribed. The total number of additional Rights Offering Shares you may elect to purchase pursuant to your Oversubscription Right may not exceed the total number of Rights Offering Shares offered in the Rights Offering minus the total number of Rights Offering Shares that you already elected to subscribe for. The Subscription Form includes a procedure for calculating the aggregate number of additional Rights Offering Shares in the event you exercise Oversubscription Rights and the additional purchase price that you are required to pay, based on the number of additional Rights Offering Shares for which you are electing to purchase.

Q: How do I exercise my Oversubscription Rights to purchase additional Rights Offering Shares?

A: In order to exercise your Oversubscription Rights, you must (in addition to having exercised your Subscription Rights in full and having taken the actions required in the Rights Offering Procedures), promptly upon returning your Subscription Form to the Subscription Agent, but in no event later **5:00 pm New York City time on December 11, 2023**, pay or have paid the aggregate purchase price for additional Rights Offering Shares (the “Oversubscription Funding Amount”).

Q: What if there is an insufficient number of Rights Offering Shares to satisfy the exercise of Oversubscription Rights?

A: If there is an insufficient number of Rights Offering Shares to fully satisfy exercise of Oversubscription Rights by Eligible Holders, Eligible Holders who exercised their Oversubscription Rights will receive the available Rights Offering Shares *pro rata* based on the number of Rights Offering Shares each Eligible Holder has subscribed for under the Oversubscription Rights. Any excess subscription payment will be returned by wire transfer, without interest or deduction, promptly after the expiration of the Rights Offering. The Subscription Form includes a section for you to include your bank account information for any refund.

Q: Will the Rights Offering Shares I purchase in the Rights Offering be freely transferable?

A. Yes. The Rights Offering Shares purchased in the Rights Offering (other than with respect to Backstop Shares) will be issued under 1145 of the Bankruptcy Code and will be freely tradable under U.S. securities laws (however, persons who are “affiliates” of Core will hold “control securities” and will be subject to certain trading limitations under the securities laws).

Q: Will the Rights Offering Shares that are issued in the Rights Offering be listed on any securities exchange?

A: Core intends that its shares of common stock will be listed on NASDAQ following emergence from bankruptcy. However, there is no assurance that its shares of common stock will be listed, or if it is listed, the timing of when this will occur.

Q: If I hold my Existing Common Interests through a Subscription Nominee who should I contact to participate?

(1) Information assumes that, after giving effect to the reorganization described in the Plan and Disclosure Statement, existing equity will hold 1/25th the number of shares post-emergence as they do on November 20, 2023 (such ratio is subject to change). Core’s current share price (CORZQ:US) does not reflect the reorganization and is not expected to be indicative of reorganized Core’s post-emergence share price.

(2) Pre-exit information assumes existing equity holds same number of shares post-emergence as they do on November 20, 2023.

(3) While the number of ERO Shares you purchase may increase depending on (i) treatment elections by Core Scientific’s miner equipment lenders (“Equipment Lender Elections”) and (ii) the extent to which the estimated maximum amount of disputed claims become allowed in Class 8 (General Unsecured Claims) and Class 11 (Section 510 Claims), the total dollar investment amount will not change. The Company’s assumptions regarding Equipment Lender Elections and the Company’s estimated maximum amount of disputed claims are subject to change.
